

Torumaka Community and Species Rules

Please familiarize yourself with all the rules. I may add more here so please keep an eye out for any updates on the group.

Group Rules

- Be kind to everyone within the group, no harassing. Admins will delete your comment or post if you are intentionally bullying someone.
- No selfie posts or unrelated pictures and absolutely no sensitive topics - religion, politics etc.
- Free art posts are okay! Please keep it related to the species in some way.
- Don't be afraid to ask for assistance, message me privately or tag me or any other admin in a post and we'll get to you as quickly as possible.
- You can not block an admin, or have an admin on your blocked list.
- I will ALWAYS set up an invoice for you through Paypal - so when purchasing expect this.

Species Rules

- Torumaka's may only be obtained through MYO events, customs (when I offer them), adoptables, auctions, gift (only obtained by myself).
- Regarding MYO slots, you may not give your slot to someone else. If you're buying a MYO slot for someone else please let me know when filling out the form.
- ALL contests will only be held in the group. Auctions and adoptables will be on both FA and FB. I am allowing Torumaka's to be sold on FA however I encourage you to join the FB group as contests and MYO's will only be held there.
- Let me know if you decide to sell your Torumaka. I'd like for the new owner to be apart of the group!
- When selling your Torumaka they will be sold at the price you bought him/her at. If you happen to have extra art please sell accordingly by adding to the value.
- I don't think I need to say this but I must stress, Torumaka's are a CLOSED species.
- Do not recreate your own Torumaka, or make something that is strangely similar to the Torumaka species.
