daSavvas Text Access
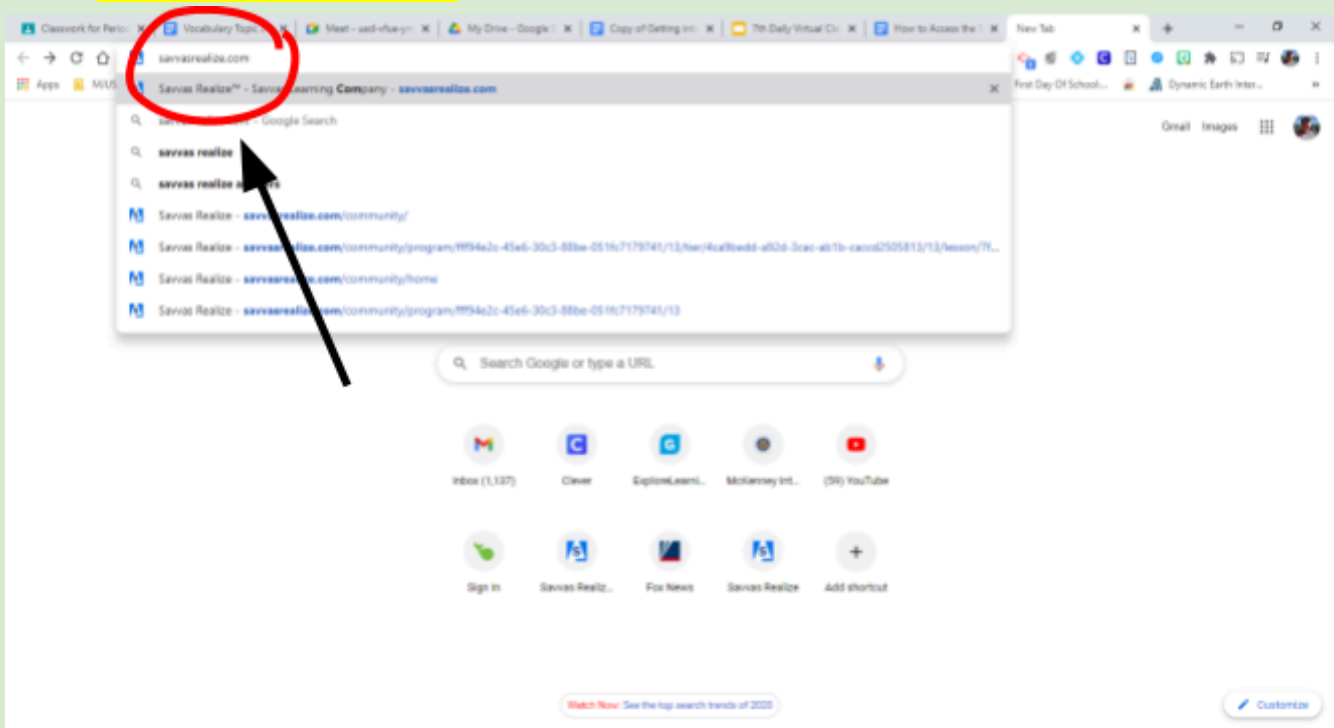

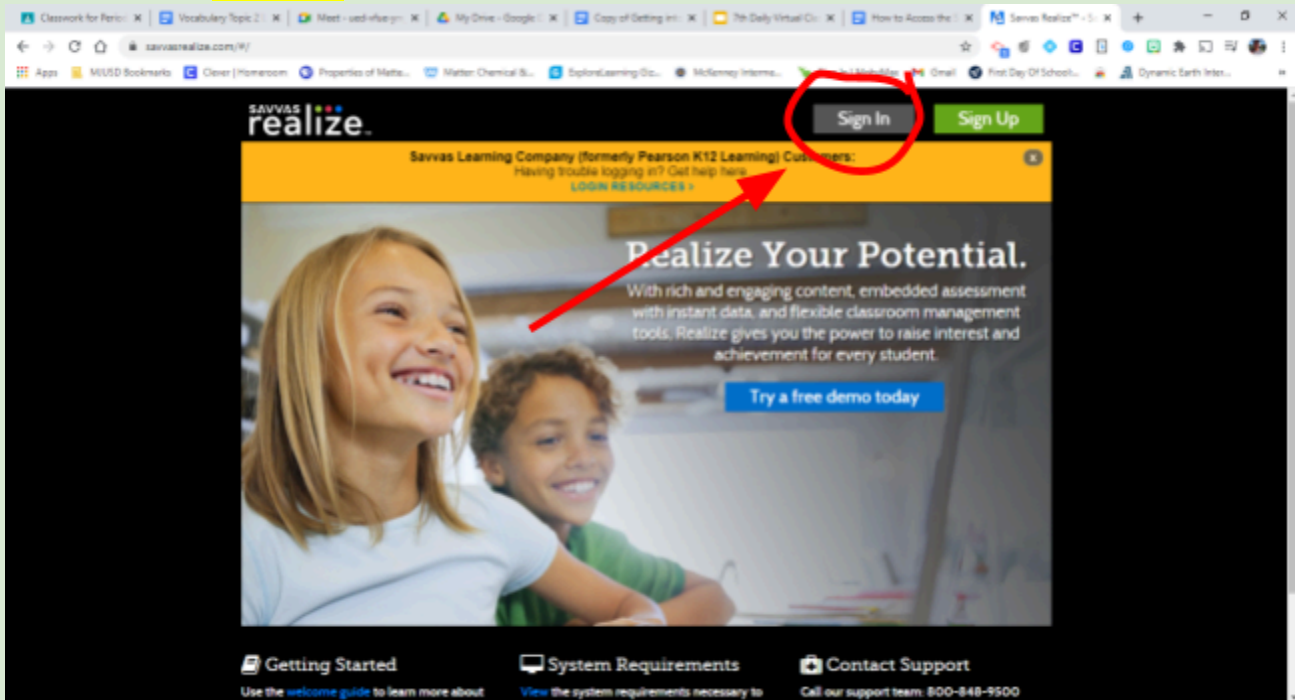

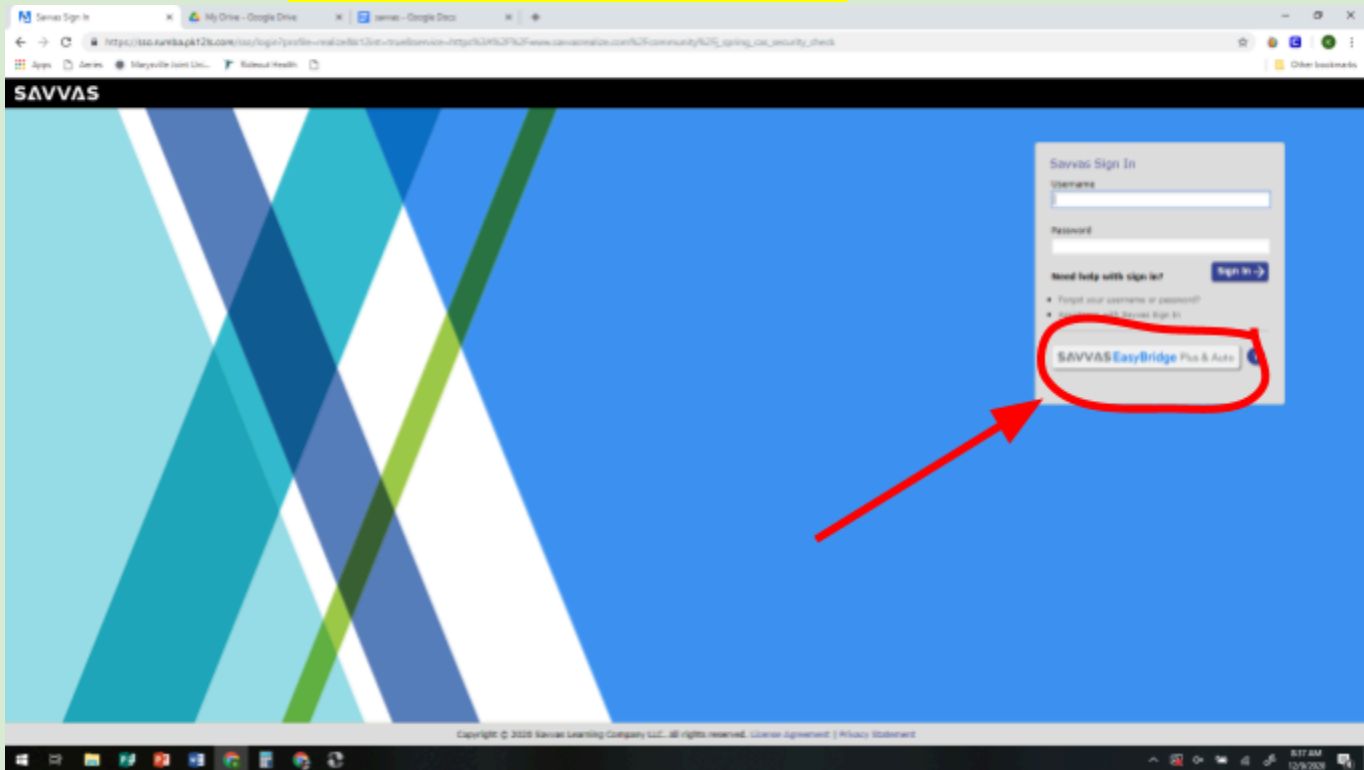

1. **Open up your web browser and in the URL line type <mark>savvasrealize.com</mark>.**

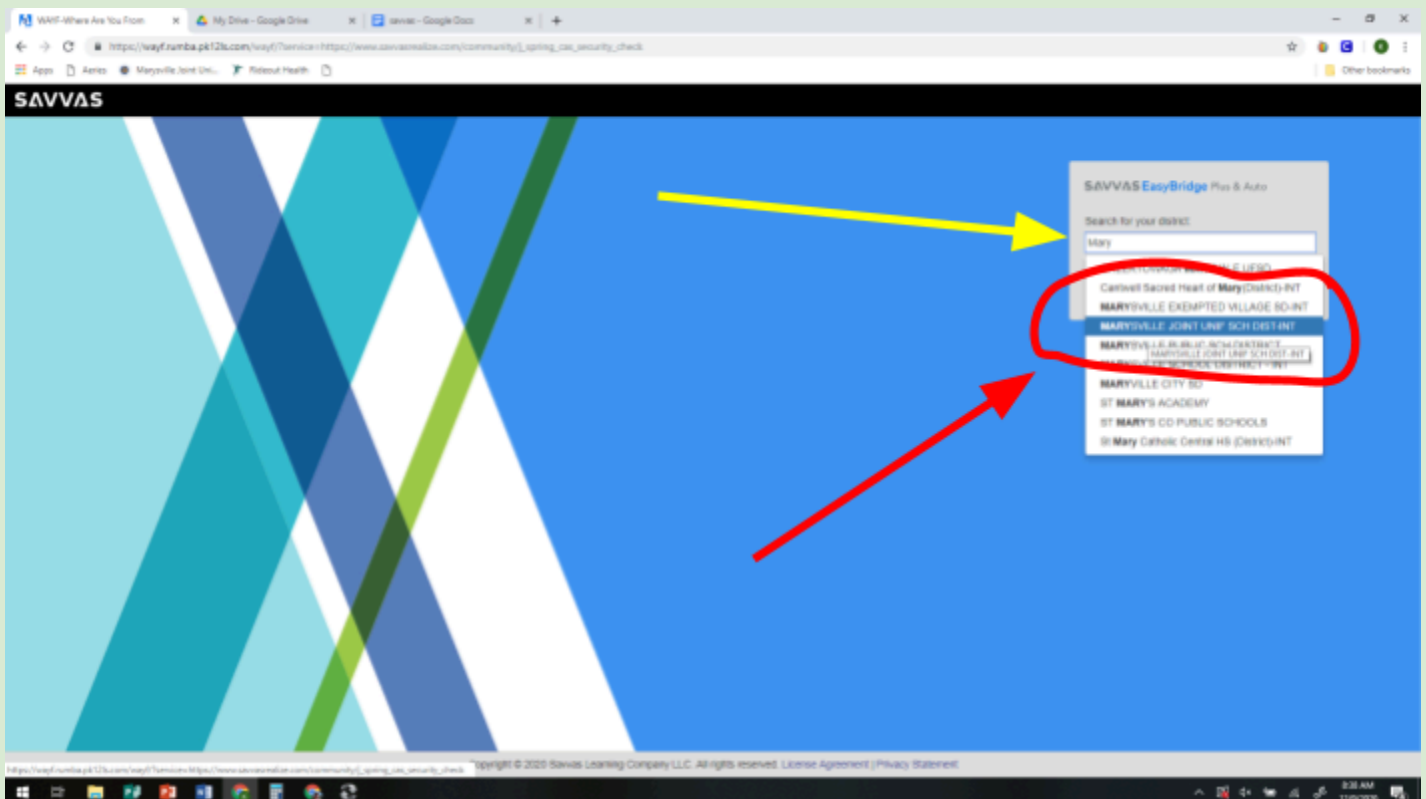

2. **Click "<mark>Sign In</mark>"**

3. Click the "Savvas Easybridge Plus & Auto" bar.

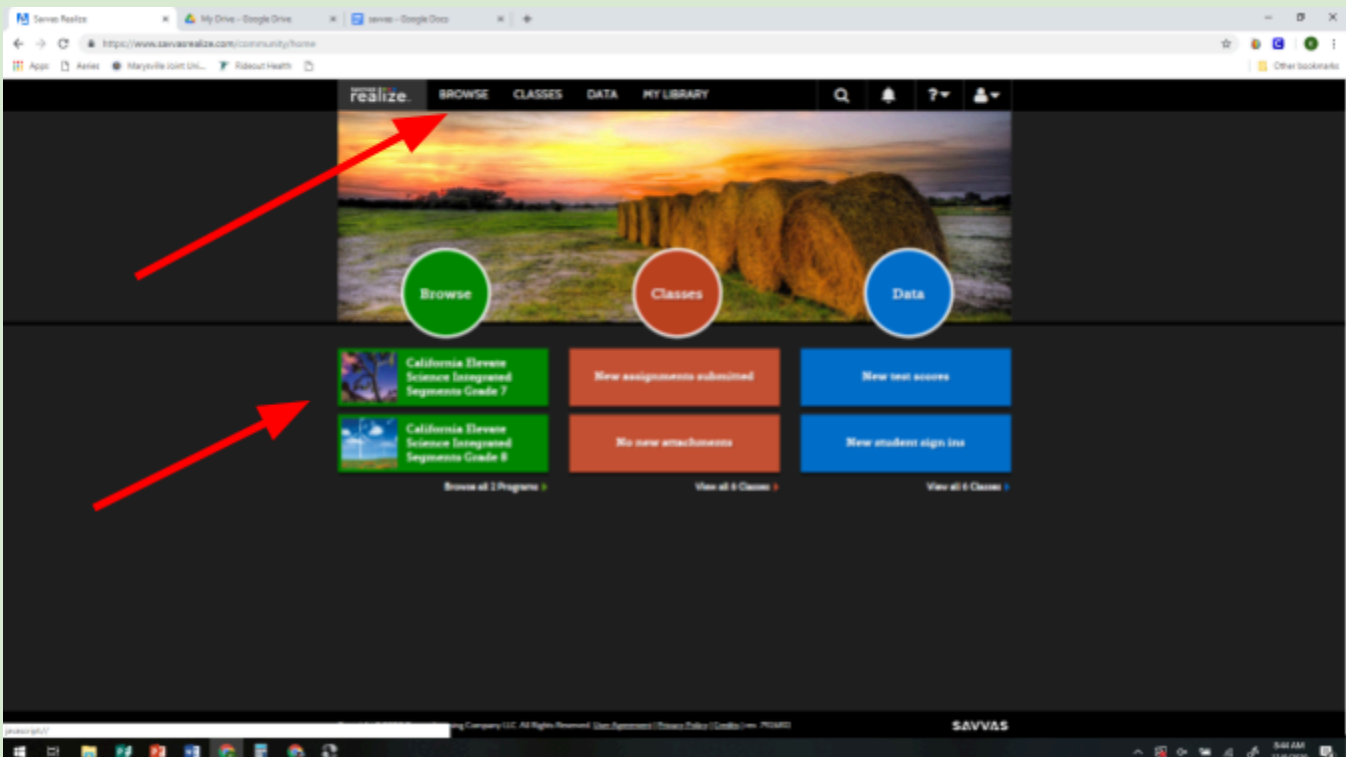

4. Type "Mary" into the search bar, then select "Marysville Joint UNF…" and hit "Go".

5. If it takes you to Clever, go ahead and log in, and it may ask to verify that it is you. Go ahead and click "yes".

6. It should then take you into Savvas. If you see our text book, click on it. If not, select "Browse", and find the textbook there.

7. Once you have clicked on the textbook, you should see a screen that looks similar to this. Notice the green bar say "Table of Contents". From here, you would click on the Topic. For example, if we are in Topic 2, I would click the picture with the horse.

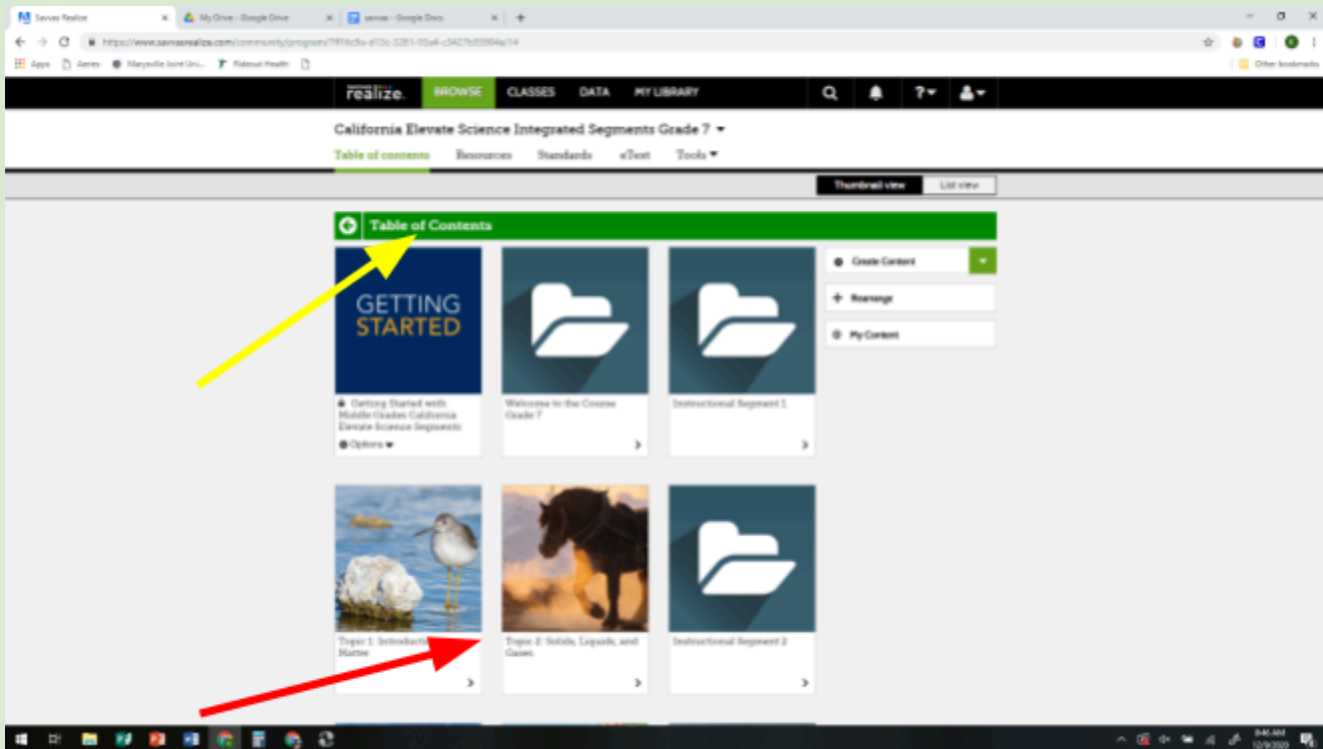

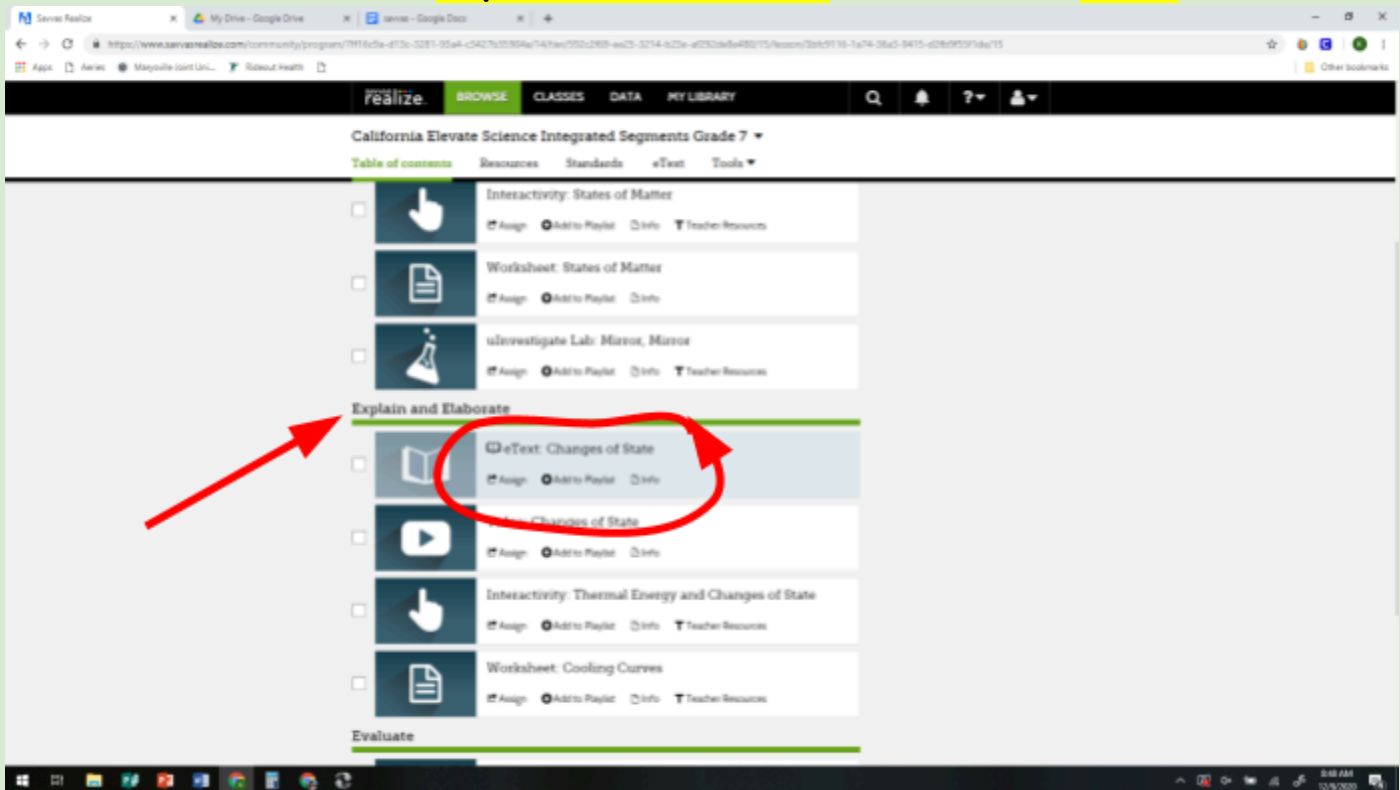

8. Then on this screen, I would choose the lesson we are in. For example, lets say we are in lesson 2.
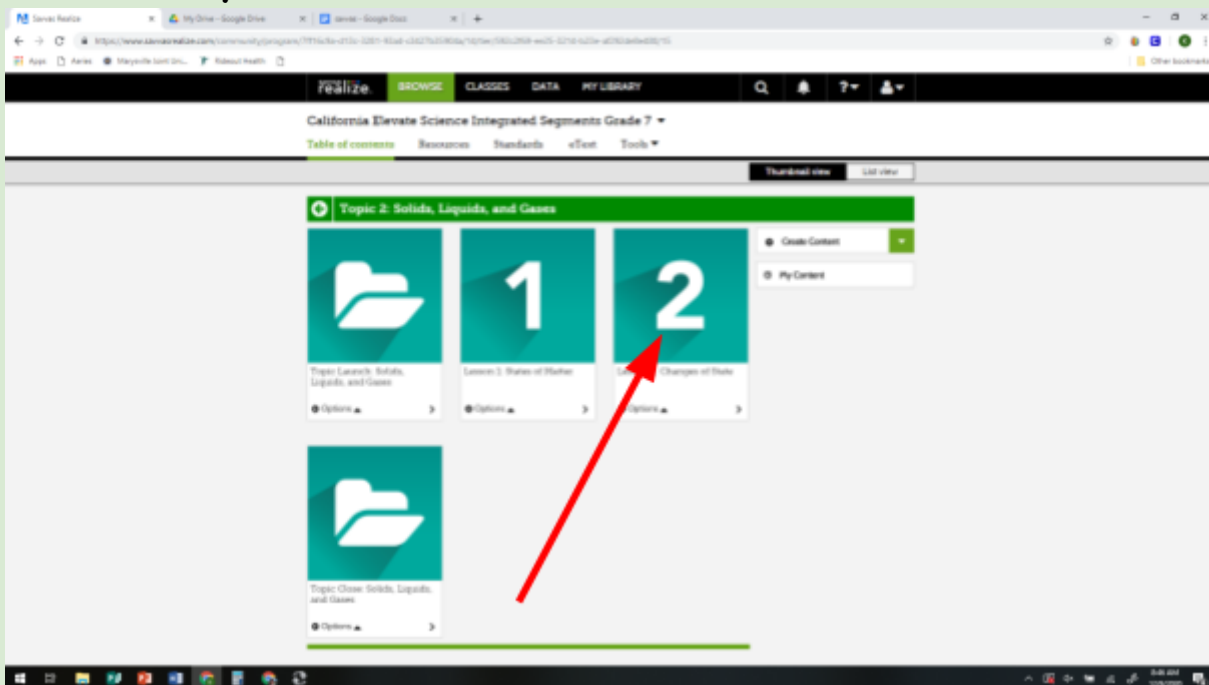

9. Once you open up the lesson, you will see a list of various resources for the lesson.
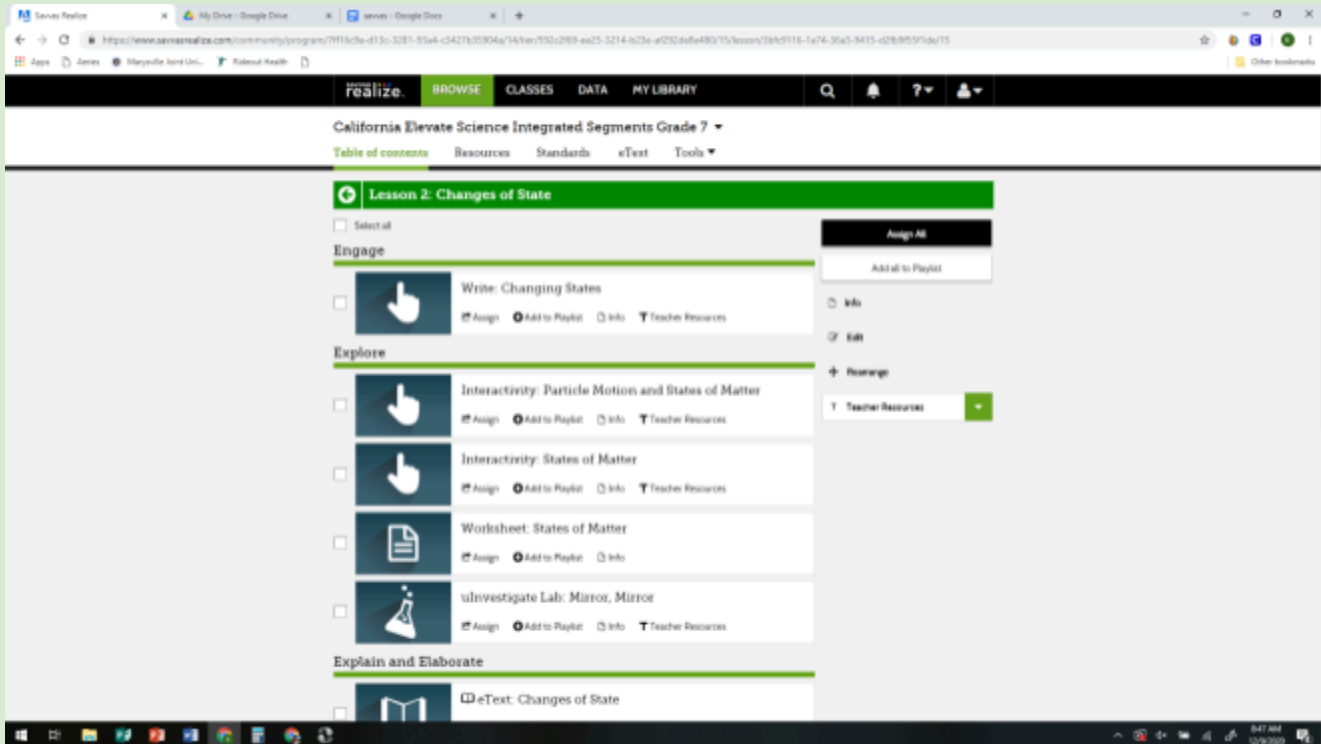

10. Scroll down to "Explain and Elaborate" and select "etext".

IF YOU ARE DOING A VOCABULARY ASSIGNMENT

11. Once you open up the e-text, click on the "menu" button in the upper right corner.

12. Then select "Glossary". You can then click on the first letter of the word and it will take you to that section in the glossary. You can also just scroll through the text if you choose.
