

"So are you excited about your first day as a sex object?" Miranda said as the pair walked into the mall.

"Hey at least I get paid to be hot." Troy flashed a smile. "Don't worry babe, none of those girls get to have me shirtless at night." He kissed Miranda.

"Ugh, I know you're right." She smiled kissing him back. "Plus we need the money anyway."

The pair stopped in front of the store, you could see the other models already inside at work, walking around shirtless convincing guys, and girls to buy the store's clothing. It was the only clothes shop in town, and while being one of the largest chains in the nation it had a small hometown vibe to it for many of the people in town.

"Good luck babe." Miranda said. "I'll see you after work." She kissed him one last time before walking off to her job on the other side of the mall.

"You must be Troy!" I've been waiting for you. A man in his mid-twenties walked out of the shop. "I'm glad you decided to join our team! I'm Hunter the manager. If you'll just follow me."

Troy followed Hunter into the store, and into a back room with a single folding chair and a tv that still used a VCR.

"Oh wow that's old." Troy said.

"Yeah sadly some of the corporate stooges aren't up with technology yet." Hunter said. "Anyway only the end video is needed to view the rest we can talk about mono e mono."

"Yeah ok." Troy said.

"Well first things first, working here you'll have to go into follow a strict diet, and workout plan to maintain a model ready body. Luckily you get free gym membership, and we pay for 8 hours of personal training a week, which are completed before your shift each day." Hunter said handing Troy a gym card.

"Oh that's awesome actually." Troy smiled, Free gym membership and training would save him, and miranda quite a bit of money each month.

"Now before I go any further I'd like to know more about you if that's ok?" Hunter said.

"Yeah sure." Troy said. "Me and my longtime girlfriend just moved in together a few months ago, took this job because our roommate is struggling to pay his end of the rent."

"That's great to hear." Hunter said writing something down. "We require our models to commit to their floor roles perfectly so before we go any further I just want to make sure you're comfortable with your floor position. We are going to be expanding into the LGBTQ community, and we believe you have the perfect body to match the twink lifestyle brand, and would love for you to be our lead model in that department." Hunter said.

"Yeah I'd have no problem with that." Troy said.

"Perfect!" Hunter smiled. "All I need you to do is sign this paper stating that you agree to completely follow and live your lifestyle brand while working for us." He handed a paper to Troy, who signed it instantly.

"Perfect. Now I just need you to watch the corporate video and I'll be back in a bit to continue your orientation." Hunter smiled, turning on the Tv as he left.

Troy watched as the screen turn on, and flashed many different colors at him. He felt himself becoming disorientated unable to look away from the screen.

"You are an obedient worker." A soothing voice from the tv called out. "You work to make the company better.

"I work to make the company better...." Troy repeated feeling lost and mindless.

"You love to work for the company." The voice became more commanding. "You would do anything for the company."

"I would do anything..." Troy repeated.

"You are the company's property." The voice commanded one final time, and the screen flashed another series of colors before shutting off.

"Property...." Was all Troy could say back. The door reopened and Hunter walked back in.

"How is our newest hire feeling?" He asked smiling.

"Really good, ready to get to work." Troy said back.

"Perfect." Hunter said as another guy entered the room, he was thin with bleach blond hair, thin and shirtless in booty shorts. "Ah good you came in. Troy meet Alec."

"Nice to meet you." Troy said.

"Oh he's really cute." Alec said smiling.

"Troy now remember how you agreed to live your department? Well now is the time to do that, please call your girlfriend and break up with her." Hunter commanded. Troy pulled out his phone without hesitating.

"Miranda it's just not working anymore, I need to break up with you." He said then hung up the phone.

"Good job." Hunter said taking Troy's phone out of his hand, and throwing it in the trash, as the screen lit up with calls from Miranda. "Now this is Alec you guys are dating now, and very much in love."

"Well he is really hot." Troy said walking over to Alec, and grabbing his hand.

"I think you'll fit in here great." Hunter said smiling, as the two began to kiss. "We just need to do something about making sure your Ex won't be an issue..."

Miranda stormed into the store walking up to the the skinny shirtless employee folding clothes.

"Excuse me, I'm working for a new worker named Troy." She said. The employee turned around he had blond hair with a pink streak in it, a pride tattoo on the left side of his chest. He looked familiar to Miranda, but she couldn't place how she knew him.

"I'm sorry mam, who are you looking for?" He asked.

"Troy, my boyfriend, or was my boyfriend. Today was his first day." Miranda pleaded.

"I'm sorry there was no new hires today. Mam." The employee said. "I think there was supposed to be someone, but he never showed.

"Oh...." Miranda sounded defeated.

"Was there anything I can help you with mam." Another skinny guy came up with bleached blond hair. "My name is Alec."

"Oh no he helped me about as well as anyone could." Miranda said.

"Ok I just wanted to make sure, Tyler here is a bit newer only been here a few days, but he's my favorite." Alec smiled wrapping his arms around Tyler.

"That's only because we're dating." Tyler laughed.

“Uh...Thank you. I’ve got to go....” Miranda said looking like she was on the verge of tears unable to find Troy.

“That Troy guy sounds familiar.” Tyler said. “Hope she finds him.

“Nothing to worry about Tyler, hey how about we take a little break out back?” Alec whispered into Tyler’s ear.

“I’d love that.” Tyler said.

“I love you.” Alec said.

“I love you too.” Tyler said as the two ran to the backdoor to have some fun.

Hunter had been right troy was fitting in just nicely with his new name and personality.
