

Please copy this template and save it as PDF for your submission

**Your name:**

**Your email:**

**Please indicate which scenario you are exploring**

1. as post hoc analysis to look at designs you (or others) have already done
2. to explore developing a design for a new idea
3. work through one of the [unoffice questions we provide on the website](#)

Submit via easy chair, link available at <https://www.wellthlab.ac.uk/ii5chi/>

**Briefly describe the scenario**

**Add below sketches, diagrams or text to describe how you used the [inbodied interaction framework](#) to explore a scenario**
