**Read the passage and answer the following questions:**

**A.** Two of the words we often use for our country are India and Bharat. The word India comes from the Indus, called Sindhu in Sanskrit. . The Iranians and the Greeks who came through the northwest about 2500 years ago and were familiar with the Indus, called it the Hindos or the Indos, and the land to the east of the river was called India. The name Bharata was used for a group of people who lived in the northwest, and who are mentioned in the Rigveda, the earliest composition in Sanskrit . Later it was used for the country.

- a. Which are the two names which is used for our country? And what is Indus.

**B.** India is a democracy. This achievement is the result of a long and eventful struggle of the Indian people. You know that the main feature of a democracy is that the people have the power to elect their leaders. So in a sense a democracy is rule by the people. The basic idea is that people rule themselves by participating in the making of these rules.

These days a government cannot call itself democratic unless it allows what is known as universal adult franchise. This means that all adults in the country are allowed to vote.

- a. What is meant by democracy? Explain Universal Adult Franchise.
