

Note to Parents: These challenges are designed to enhance the creative thought and exploration of your child. You are welcome to join in and do the challenge yourself but please do not turn yours in or share your work with your child. These challenges are for enrichment only and do not affect student grades or participation in any school program.

April Adventure Challenge - Celebrate Children's Day and Earth Day!

You must do all three levels of the challenge this month
before submitting the form.

[Original Directions](#)

Bronze -

Read a book about a child from another culture,
an athlete, or recycling.

Make sure to check out the display in the library!

Get some [book ideas here](#).

Silver -

Stop by the library and
play one of the games from around the world.
Then teach it to some of your friends at recess.

Gold -

Submit a plan to make an improvement to our school.

Due Tuesday, April 21st.

One "winning" plan may be presented to our admin staff!

Please do all levels before submitting the form.

[Fill out this form to submit your idea.](#)

Celebration Date: April 22nd - Earth Day -

Celebration moved to Tuesday, April 28th
