DAC UPDATE:

Attached are the notes from last week's DAC meeting.

Couple items of note:

- The district is soliciting feedback on a proposal to add interior cameras to middle schools, which is a request from middle school principals. (Such cameras are already in place in high schools.) Parents on the DAC had lots of questions and shared a combination of support + concerns. Community members can provide feedback on the proposal here:

<https://docs.google.com/forms/d/e/1FAIpQLSelSmruFnFpoo02WRXR7puHXsR-5Kh2TKqF5f97WjbixirQkg/viewform>

- The district is soliciting applications for the Community Bond Oversight Committee, ideally from parents and others who have experience working with the district in a volunteer or other capacity. (It sounds like they get into some pretty nitty-gritty financial details and other wonky content.) Community members can apply here:

<https://docs.google.com/forms/d/e/1FAIpQLScmLprBYhNnLi9eBzeTrpJVBZHscvMV1BwiGnVwOwmh878FZQ/viewform>

- The DAC is sending a new policy proposal on Parent and Community Engagement to the Board, the "final" draft of which is linked in the attached. From here, the Board will review, revise, and then decide whether to adopt later this spring. There is still time for additional community input via the Board-led review processes.
