

Bloomington-Normal/Central IL Area - Speech/Language Therapy Resources

The following agencies/individuals offer speech/language therapy services in our community or the surrounding areas. Feel free to contact any below to inquire about private speech/language therapy services for your student if you are interested in doing so.

Feel free to reach out to us if you have questions – our contact info is at the bottom!

If you are interested in summer speech therapy services, we would recommend contacting agencies you are interested in ASAP because summer openings tend to fill up quickly!

*We do **not** have personal experience with all of these resources and therefore are not “endorsing” them. We are simply providing you with contact information for some community resources that you may contact for more information if you so desire.*

The decision to pursue speech/language therapy services for your student is completely up to you as parents. By providing you with this information, We are not implying that you “should” pursue summer (or otherwise) speech/language therapy services for your student. We are simply providing this information as a service to you because some parents have asked for it.
