

## Digital Humanities 2017

Montreal, Canada, August 8-11, 2017

### It's the ACH Newcomers' Dinner at the 2017 Digital Humanities conference in Montreal!

Are you new to the DH community or to digital humanities conferences? Join a small group of newbies and [ACH](#)/DH old-timers at a local restaurant and make scholarly connections and new friendships.

**Dinners will happen the evening of Wednesday, 9 August**, with parties departing after the poster session. The poster session ends at 7pm. **Group leaders will specify from where the group will depart.**

Please sign up below. For ease of conversation, groups are limited to six people. Please identify yourself with **n** for newbie (in your first or second year attending DH) or **v** for DH conference veteran (**no more than 2 veterans per party, please!**). We'll need one veteran leader for each group, to **make a reservation and walk the group over to the restaurant**; long-term ACH members and other DH conference veterans are heartily encouraged to volunteer!

In addition to the groups below, **feel free to create additional groups headed to other restaurants**, but please try to choose something within walking distance of a conference hotel. Indicate cuisine and cost for an average meal, including drink, tax, and tip, according to [Yelp](#) (or equivalent estimation):

\$ = "Inexpensive" (presumably under CA\$ 10)

\$\$ = CA\$ 11-30

\$\$\$ = "Pricey" (presumably between CA\$ 31-60)

\$\$\$\$ - Above CA\$ 61

CA 30 is approximately £18,12; €20,69; ¥2670.25; or US \$23.73 [Live exchange rates available](#)

Please note: **attendees pay their own costs at these dinners**. ACH provides the organization and good cheer. We hope to see you there!
