Individual members of the Barrington team were presented with trophies for placing in the top 10 in the state this year. Iris Yang had the highest score in the state with a perfect score of 72 points. Iris is one of only six students to accomplish this feat over the past 25 years. Other students receiving trophies included Montana Wells (9th grade) placed 4th with 67 points, Noah Higbie (12th grade) placed 8th with 66 points, and Athena Gao (12th grade) placed 8th with 66 points.

Twenty-nine students participated on the math team this year. In addition to the A team members, a number of students deserve special recognition for making valuable contributions and showing dedication to the team. These students include:

Seniors: Libby Fisher, Troy Tian, Alan Weng, Levon He, Dahlia Weller, Emma Dosa, Matt Clegg, Cole Kepner, and Emma Pautz

Juniors: Andres Gil, Nate Coutant, and Justin Kuo

Sophomores: Aagami Mohiraaj, Benjamin Zhang, Matthew Tian, Nathan Leicht, Josh Schanty, and LukeWeller

Freshmen: Max Thimme, Dakota Wells, Jonah Mosier, and Kaya Yucel

In the regular season, Barrington finished with 3 out of the top 8 teams in the state. Thirty-one Rhode Island high schools participated in the RI Math League this year. The A team tied a regular season record by scoring 367 points for the season. The previous record was set by the 2006 Barrington team.
