

Mission Statement
Preparing today's students for tomorrow's world in a caring learning environment.

Mid-Prairie Community School District
West Elementary Office
800 6th Avenue
P.O. Box H
Welman, IA 52356

What is going well?

Preschool & Kindergarten Registration is open. Enrollment information has been shared via social media, email, and flyers were placed around Wellman & Kalona (post office, coffee house, city hall, and area businesses)

Registration Numbers:

- 4 Year Old: 44
- Alternative Kindergarten: 8
- Kindergarten: 78

3-year-old preschool registration will be sent out in March. We typically wait until we have an idea of how many 4-year-olds will attend preschool.

MP-West hosted KISS (**K**ids **I**nvide **S**omeone **S**pecial). Students were invited to bring someone special to school to enjoy a muffin & milk (or coffee). We had over 200 adult guests join a student for this event.

A few years ago at East, we hosted Donuts with a Grown Up (after deciding Donuts with Dad & Muffins with Mom were not all-inclusive for all family situations). Our intention was to provide additional opportunities for families to engage with our building while doing something special with their MP students.

To say these events are awesome is an understatement. Our students are proud to invite an adult to a special event at school. For our students who come to school without an adult, we have extra adults available to enjoy a muffin with them. Not only is this a great event for our students and their families, I am proud of our West Team for making this event a priority. This even went smoothly because of their hard work in planning each and every detail.
