*Gluten Free

Shawn needs live and testing credentials for Paypal account from DA. Rich and Tom and Joe have been talking to Daniel Finerty, but have yet to hear back on the details.

Action Item - Who is going to respond to community issues around tickets / fees? Process needs to exist

Backups - Once a day?

John Zacsh will work with Shawn and Mark on theming of ubercart

Shawn and Amy will talk on 10/6 about requirements / images / etc. for the website

Email decision

Gmail is fine with everyone for now. This has been entered in Redmine and assigned to Rich.

Long term the goal is to get a Postfix / email solution working so that we're sending email ourselves.
