Game Setup Guide

Step 1: Referees get players in steam chat.

Step 2: Referees set up battle planner send link to players.

Step 3: Referee flips coin on BP, and players pick map/factions for G1.

Step 4: Referee sets up game (as pictured), ensure: fixed positions, live game no mod, 3 mins delay, **no** password.

Step 5: Invite one of the players, referee leaves, then then invites other player.

Step 6: Remind players to save replays and wish them luck.

Step 7: Players report results and VP score of winner to you in steam, either referee or caster update the battle planner.

Step 8: after match players post replays in COH2.ORG thread.
