

Royston Trilogy Challenge

September 23rd, 2023

Royston Wellness Park – Royston, GA

General Information

Thank you for registering for the Royston Trilogy Challenge! I'm really excited to run this tournament for all of you! If you have any feedback about the tournament please contact me. I want to learn and make future tournaments better!

Tournament Central, Check-In, & Bathrooms: Tournament Central will be near Hole 1. Please arrive at least 30 minutes before your tee time to check in, pick up your discs, and set up scoring. I will also have plenty of discs and other equipment available for sale. Bathrooms are located directly next to hole 1.

Course: Everyone will play the course loop twice. The first loop around will be played from the Blue (long) tees and the second loop will be played from the Red (short) tees. Hopefully there won't be much conflict with two groups playing the same hole. However, if there is a conflict while playing, **let the group playing the red tees play first!** There will be no OB on the course. If you happen to land in an unsafe area you may take relief directly away from the basket to the first clear footing, or to a close safe place according to your card. Please be aware of cars and other people using the park facilities. Flags will mark the front of teepads.

Discs: All players will receive the Fuzion Ice Orbit **Vandal**, Tournament Ice Orbit **Warship**, and Retro Orbit **Pure**. Rounds must be played using only these discs. Any add-on discs cannot be used during the tournament.

UDisc Live Scoring: We will be using Udisc Leagues for scoring during this event. Hopefully, the new UDisc event scoring will work correctly, if not I have a backup plan. **If you do not have a udisc account, please create one.** A free account is all that's needed. If all goes well, you'll be able to see your card in udisc before you arrive.

CTPs: There will be 5 free CTPs (closest to pin) in play, one for each division. Prizes for these will be \$15 vouchers to joerobdiscs.com. **Please make sure a CTP is for your division before moving it.** Hole 4 will be the Ace Pot CTP for those who paid into the ace pot. This will only pay out if no one in the ace pot hits an ace. Winners will be contacted after the tournament and be able to pick up their prizes or have them shipped.
