oceanveil respects your privacy. This Privacy Policy explains how the app may access, collect, use, share, retain, and protect data when you use the app.

1. About the App

oceanveil is an entertainment app that lets users browse, search, discover, and save movies and TV series information.

2. Data We May Collect

Depending on how you use the app and the services integrated into it, the app may process the following categories of data:

a. App activity and usage data

We may collect limited app interaction data such as:

screen views

ad interactions

session events

diagnostic or crash-related events

This data may be collected by third-party SDKs used in the app for advertising, analytics, app performance, or fraud prevention.

b. Device and technical information

The app or its third-party SDKs may access technical information such as:

device model

operating system version

app version

language

IP address

advertising identifiers

approximate network information

c. Search and favorites data

Search terms you enter are used to provide search functionality.

Favorites you save are stored locally on your device unless otherwise stated.

d. Content metadata

The app retrieves movie and TV series information from third-party content providers. This content data is not personal data by itself.

3. Data We Do Not Intentionally Collect

Unless explicitly added in a future version, Senpai Stream does not intentionally collect:

- account registration data
- payment card data
- precise location
- contacts
- photos or media files from your device
- microphone recordings
- health data

4. How We Use Data

We may use data to:

- provide app features and content browsing
- improve app performance and stability
- show advertising
- prevent fraud, abuse, or invalid traffic
- diagnose technical issues
- comply with legal obligations

5. Advertising

Senpai Stream contains ads and uses third-party advertising services, including Appodeal and mediation partners.

These partners may process certain device and advertising-related data to:

- deliver ads
- limit ad fraud
- measure ad performance
- improve ad relevance where permitted by law

Third-party partners may collect or receive data directly from your device in accordance with their own privacy policies.

6. Data Sharing

We do not sell personal data.

We may share or allow access to limited data with:

- advertising and monetization providers
- analytics, diagnostics, and crash reporting providers
- cloud, hosting, or infrastructure providers
- legal authorities when required by law or to protect rights and safety

7. Data Retention

We retain data only for as long as necessary for the purposes described in this Privacy Policy, including:

- app functionality
- security and fraud prevention
- legal compliance
- dispute resolution

Locally stored data, such as favorites, may remain on your device until you remove the app data or uninstall the app.

Data handled by third-party SDK providers is retained according to their own policies and legal obligations.

8. Data Security

We use reasonable technical and organizational measures to help protect data against unauthorized access, alteration, disclosure, or destruction. However, no system or transmission method is completely secure, and we cannot guarantee absolute security.

9. Children's Privacy

Senpai Stream is not directed to children under the age required by applicable law unless specifically stated otherwise in the store listing. We do not knowingly collect personal data from children in violation of applicable law. If you believe a child has provided personal data unlawfully, contact us and we will review the request.

10. Your Rights

Depending on your location, you may have rights regarding your personal data, including the right to:

- request access to your data
- request correction
- request deletion
- object to certain processing
- withdraw consent where processing is based on consent

To make a privacy request, contact us at: [**caiazza.kelly@gmail.com**](mailto:caiazza.kelly@gmail.com)

11. Third-Party Services

The app may rely on third-party services and SDKs. Their handling of data is governed by their own policies. These may include:

- Appodeal
- mediation and ad network partners
- movie and TV content data providers
- platform providers such as Google Play

You should review the privacy policies of those third parties where relevant.

12. International Data Transfers

Your data may be processed in countries other than your own, depending on the location of service providers and partners. Where required, we take steps intended to ensure that such processing is subject to appropriate safeguards under applicable law.

13. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. If we make material changes, we may update the effective date above and, where appropriate, provide additional notice in the app or store listing.
