

Texting

1. How many texts do you send every day?
2. Do you prefer to text or talk on the phone? Why?
3. What are the advantages of texting someone (instead of a face-to-face conversation)?
4. What are the disadvantages of texting someone (instead of talking to them face-to-face)?
5. Have you ever seen someone texting on their phone while they were driving?
6. Do you text when you drive? (If “Yes”, tell us why you do it even though you know it is dangerous.)
7. Do you often text in English?
8. How is texting similar to chatting on Facebook? How is texting different?
9. Do you ever text on your phone during English class?
10. What do you do with all your old texts? Do you ever save them, or do you just delete them?
11. Do you ever get sore fingers (or sore thumbs) from too much texting?
12. Have you ever sent a text that made a friend really angry at you? Have you ever gotten a text that made you really angry?
13. What’s the best text you’ve ever received? (Think of a text you received that made you really happy).
