

Homework 1

Choose a solo piece for performance this year. You must perform between 30-45 seconds this half term. **You must give the printed music to Mr Singleton next lesson.**

- It should **not** be a piece you can play right now.
- You could ask your instrument teacher to help you choose.
- If you are preparing for a grade exam, this might be a good piece to choose.
- It must last over **2 minutes** **but** you will only be expected to play 30-45 seconds of it at the end of this half term
- You **must** have a copy of the music or be able to get it. **If it has a piano accompaniment you MUST give it to Mr Singleton as soon as possible.**
- It should be challenging but not too difficult for you.

If you are having trouble choosing, speak to Mr Singleton.

If you do not have an instrument teacher, speak **urgently** to Mr Singleton

If you are planning on doing a tech project, **you must still complete a performance this half term.**
