

Adverse Event Report Form <i>(version September 2025)</i> to be used with Guidance for Researchers on Adverse Event Reporting and the IACUC's Guideline on AEs	Unique identifying number (UCSC/OLAW)
	Submission date
	Report taken by
	Process is <i>anonymous</i> or <i>confidential</i>

Instructions:

- Use this form to report adverse events (AE) involving any animals, particularly in research and teaching, at UCSC.
- The form can be completed by either the person reporting the AE or a representative of the IACUC.
- Provide information below to the best of your knowledge. Include any attachments.
- Return the completed form to the IACUC administrator (iacuc@ucsc.edu) or Attending Veterinarian (vet@ucsc.edu).
- To obtain information concerning the outcome of this report, contact the IACUC at iacuc@ucsc.edu. Refer to the unique identifying number as entered above.

Protocol #, if applicable	Investigator's Name, as applicable
If NIH/NSF/PHS grant funds were used for this animal work, list grant number and title:	
Location of AE	Animal, Species
Date/Time of AE	Person(s) Reporting AE (removes anonymity), Complainant
Was veterinary staff contacted? If so, when and how was the contact made (e.g. phone, email)?	
Describe the AE	
<i>For IACUC use. Action(s) taken (specify names, dates, decisions):</i>
