

Grammar Production (Student B)

Below you have some information about some workers at different locations of the Lala Cafe, a local restaurant chain. Your partner has information about the other workers.

Take turns asking and answering questions about the workers with your partner to complete your missing information. Speak in complete sentences. Do not show your information to your partner.

EXAMPLE

Student B: What is Marie’s job?
Student A: She’s an area manager.

Student B writes down “area manager” next to Marie’s “Job:”.
