

Bring your coworkers! This is a public-facing event that is not just for DSA members or even self-identified socialists. Any public sector workers (or allies) who want a democratic, member-led, militant public sector labor movement that fights for the whole working class of NYC are welcome to attend.

1. Here's a sample message you can use to invite your coworkers by text, group chat, or email:

Hi! On Thurs 4/4 @ 7:00 - 9:00p at The People's Forum (320 W 37th St), NYC-DSA is hosting a Town Hall on public sector union organizing. Union members across the city are joining to hear from panelists at DC37, UFT, PSC, NYSNA H+H, & TWU about their recent or ongoing contract fights to win dignity on the job and a just NYC. Can you join?
