

***GAME DAY***  
***SportsTG***

Congratulations on joining Central Districts Basketball Club. Follow the link below to register:

[Individual Player Registration](#)

You'll be prompted to create a Sports TG/Passport account (if you do not already have one). Please follow the prompts and continue through to payment.

For those that did not play one game in the Summer Season, you'll need to pay the player fee to Basketball SA plus the Intent to Play fee (\$60 for juniors & \$100 for seniors). Continuing players (from Summer to Winter) will just need to pay their respective Intent to Play fee.

New players will also need to organise a playing and training kit. Please follow up with your coach for more specific information.

A representative from the Committee will reach out to ensure you're settling into the club ok.
