Re: Report to the Board

Date: Thursday, November 10, 2022

Our student-athletes have performed well this fall!

Gray Manning had an outstanding finish at the 4A State Golf Tournament and State Overall Tournament.

Emilia Erikkson finished second at the 4A State Cross Country Championship. Several others ran well for the boys and girls teams.

Sr. High Volleyball finished third in the conference and made the 4A State Tournament.

Jr. High Football finished as the conference co-champions.

Sr. High Football is currently 8-0 with the playoffs still in front of them.

All four basketball teams and swimming and diving teams opened the season the week of Nov. 7th.
