Friday 20<sup>th</sup> September

**NEW after-school club service**

Dear Parents/Carers,

Following my previous correspondence, I am pleased to give you details of our new after school club, which will be delivered by our own staff.

From Monday 30<sup>th</sup> September, our new after school club will start. We have given our school council children the job of naming our current breakfast and now new after school club so as soon as they have made a decision, they will be shared with you shortly.

Following your responses in the recent parent/carer questionnaire, we have managed to organise this provision on Monday-Thursday and have arranged 'staggered' finish times. In this first instance we will only be able to provide this provision for a maximum of 20 children per day. This is something new and exciting for us here at St. Patrick's so the provision will hopefully evolve as the demand increases.

**Please see the times and prices:**

|                                              | <b>Times</b>                                 | <b>Price per child</b> |
|----------------------------------------------|----------------------------------------------|------------------------|
| <b>After School Club Provision</b>           | End of the school day to 4.30pm              | £5                     |
|                                              | End of the school day to 5.30pm              | £8                     |
| Reminder of our current breakfast club offer |                                              |                        |
| <b>Breakfast Club</b>                        | 7.45am until the beginning of the school day | £3.50                  |

- **Please note: there is no food provided at our afterschool club provision but you are welcome to provide a healthy snack for your child if you wish - examples of these may be: fruit, breadsticks, rice cakes, snack bar, sandwich (please remember we are a nut-free school).**
- If your child is attending our afterschool club provision after an extra-curricular activity club, the above charges still stand.
- A late charge will be incurred of £10 for every 10 minutes after a child is not collected from 5.30pm. If there are persistent late collections, unfortunately the service will no longer be available to you.

**Booking:**

Parents/Carers will need to book your child's place via Arbor - this can be done using the app or online log-in.

The Arbor app looks like this:  Arbor

Invites to set up your Arbor log-in have already been sent out - please ensure you have registered. This is the same log-in to book parents evening appointments.

Bookings will not be live until Friday 27th September. Before this date, we will send you a 'how to' detailed guide of how to book. We request that bookings are made in advance (to allow us to organise appropriate staffing) but we understand that in certain circumstances, you may need to book on the day - in which case, we will accept bookings on Arbor up until 2.15pm on the day required. After 2.15pm – call the school office.

**Payment:**

Payments will be via ParentPay.

Once your booking has been made on Arbor to secure your child's place, you will need to log in to ParentPay and top up your account so that you stay in credit. If ParentPay accounts fall into debt, you will no longer be able to use the wraparound service and the option to book via the Arbor app will be removed from your account.

We look forward to the launch of our new service and welcoming your children.

Yours Faithfully,

Mrs. S Mulrooney  
Principal
