## LOCATION

The meeting will take place at Laboratoire de Physique Nucléaire et de Hautes-Energies (LPNHE), on the Jussieu campus (Paris, 5th arrondissement). The main entrance of the campus is 4 place Jussieu (Jussieu Metro station). You can get there by Metro (line 7 or line 10) or by Bus (lines 67, 89). See

<https://goo.gl/maps/PZHAVW4Dp5C2>

The Tuesday meeting point is at 8:45 at the LPNHE cafeteria. Attached to this email is a map on how to get to the lab when you arrive. This is quite simple really, except maybe the first time you have to do it: once you have passed the security check at the main gate, walk to Tower 12 or Tower 22 (the towers are arranged in some logical order, that you should be able to figure out by yourself). Once you get to Tower 12 or 22, take either the stairs or the elevator and get to the first floor. Once then, follow the signs and you'll find the entrance of the Lab.

See map:

<https://docs.google.com/presentation/d/13L6UAJObd-LGbdbIDrnXrgJKoihDXqcEYaZ2UbPLCX0/edit?usp=sharing>

On Wed-Friday, the sessions will be held at Amphitheatre Charpak, LPNHE, Tower 22, ground floor. To get there, the same route: locate Tower 22, take the stairs or elevator to the ground floor, and follow the signs to the amphitheater.

## PROGRAM

The meeting program is available here:

<https://indico.in2p3.fr/event/26793/>

On Tuesday, we will have 3 parallel sessions, each hosted in 3 different rooms:

- SN Cosmo ..... Seminar room (ground floor)
- SN Physics ..... Salle des conseils (ground floor)
- ML ..... Neutrino room (first floor)

The WG chairs will know where the rooms are, and how to operate the video and audio systems. We think it is more convenient if all the speakers can upload their presentations on the indico website before each session starts.

For Speakers

If you do not have an account on [indico.in2p3.fr](https://indico.in2p3.fr) yet, could you please open one and let us know that you have done so? This will allow you to upload your presentation / useful material on the workshop website.

## BREAKS & LUNCH

On Tuesday, you are on your own. There will be a list of restaurants nearby on the [indico website](#). On Wed-Fri, lunch boxes will be delivered by a restaurant nearby. You'll have one (for free) as long as you have registered to the meeting. Weather forecasts are good, and there are plenty of nice places nearby to have lunch outside, e.g. on the Seine river banks (5 minute walk), or in the Arenes de Lutece which are 10 minutes away).

There will be a coffee break everyday (Tue-Fri) at 10:30 and 16:00

## WI-FI

*eduroam* is available everywhere on the Jussieu campus. If you haven't done so already, please enroll from your home institution and make sure you have a working *eduroam* setup.

## SOCIAL EVENTS

There is a welcome cocktail on Tuesday night (6:30pm), on top of tower Zamansky, with drinks and things to eat. We have also organized a meeting dinner on Wed. It will be on a boat on the Seine river. The boat will depart at 8:30pm from the port the Paris-Arsenal:

## SLACK

We have opened a slack channel on ztfgeneral. This will be our main communication channel during the meeting.
