Subject: Seeking Auction Donations for Washington State Envirothon

Hello [Business Name],

My name is [Insert Name], and I'm reaching out on behalf of the [Washington State Envirothon](#), a 501(c)(3) nonprofit dedicated to inspiring the next generation of environmental leaders.

Each year, teams of high school students from across Washington compete in solving complex environmental challenges in the fields of aquatic ecology, forestry, soils, wildlife, and a rotating current issue topic (2027: "Soil Health Management: Agricultural Principles and Stewardship") Regional winners advance to the state competition, and the top state team represents Washington at the NCF-Envirothon North American Championship.

Envirothon combines hands-on learning with the excitement of team competition, motivating students to tackle real-world environmental problems and develop the skills they need for college, careers, and lifelong stewardship of our natural resources.

We invite you to support this work by contributing to our annual Washington State Envirothon Auction, held **December 4, 2026**, during the Washington Association of Conservation Districts Annual Conference in Stevenson, WA. Proceeds directly support the 2027 competition season, helping to:

- Eliminate financial barriers for student participation
- Provide competition resources and materials
- Cover travel costs for the state team to attend the North American Championship

Popular past auction donations include:

- Gift cards
- Outdoor gear
- Signed memorabilia
- Themed gift baskets
- Event tickets
- Resort or trip packages

But feel free to get creative—unique items are always a hit!

If your organization is able to donate, please respond to this email or complete our [auction donation form](#). For your records, our EIN is 20-0161485.

Thank you for considering this opportunity to invest in environmental education and the future of conservation in Washington State. Your generosity helps ensure that today's Envirothon students become tomorrow's conservation leaders.

Sincerely,
