Important Tour Information

1. Seat belts must always be worn, and this is enforced by law.
2. Children if applicable must be in the appropriate child seats which can be provided on request. Children must normally use a child car seat until they're 12 years old or 135 centimetres tall, whichever comes first
3. No hot food to be consumed in the vehicle, hot drinks are fine with lids.
4. All tour stops are subject to change if tour timings fall behind due to traffic conditions, weather, or road closures.
5. Careful planning has gone into making the most of the time spent on tour and if timings at each stop overrun due to passengers returning late other stops may not be possible or may be shorter due to driver hours and safety reasons.
6. Any itinerary changes, extra luggage requirements or added passengers which are not originally agreed may be subject to extra charge.
