Register online at www.judgingcard.com

*A team trying to qualify for state must have no more than four students and those students need to be identified as qualifying on Judging Card. Only one team from each school can try to qualify for state in each contest. We will not have a Floriculture contest this year, but we will have Meats and Agronomy

*Students and teams are encouraged to attend and practice if not trying to qualify for state. That designation must be made at registration on www.judgingcard.com.

*Entry fee is \$12 per student
