Hello, my name is Ellie Corser! I have been teaching 4th grade in DPS for 3 years, and before that I did an AmeriCorps program in 4th and 5th grade classrooms for 2 years. I got my bachelors degree in sociology from Kenyon College, and my masters in Education from Regis University here in Denver. I am so excited to make the switch to middle school! I grew up in Portland, Oregon, but I have lived in Denver for 5 years now. I currently live with my fiancée, Maggie, and our two cats Maya and Nori. In my free time I love to knit, run, read, and make art!
