*Add character: +USD 10-50

*Add background: +USD5-30~

*COMMERCIAL use: Add 50% from / double the original price (depending on the usage & scale of the project)

*Complicated design will be charged depending on how detailed the design is (USD 10++)

Eg: Armour, genshin designs, frilly dresses

*Props & Add-on: will be charged depending on how simple or complicated it is (USD 10 ++)

Eg: Weapon, pets, food

**COMPLEX request rates:

USD 12/h

Eg: 25 hour (time used to complete the art) x USD 12: USD 300 total

Complex art examples:

1. Character(s) in a complex background with various props, complex compositions and specific actions
2. More than 3 full body rendered characters in 1 canvas (so 4 characters and above will be charged with complex request rates).
3. Any other long term partnership that requires extensive adjusting and collaboration
