Format

- Format will depend on tournament size, changes per cash cup.
- General format will be round robin bo1 group stage, following into a bo3 semi final and final for the top seeds of each group.
- Format will be confirmed prior to event day, once all teams have been confirmed and locked. Please see our announcements page on discord closer to the time of the respective event.

Map Selection Process

Best of 1s:

- Team A is randomly determined.
- Team A bans a map.
- Team B bans a map.
- Team A chooses the map to play.
- Team B chooses the side to start.

Best of 3s:

Games 1 and 2:

- Team A is randomly determined
- Team A bans a map.
- Team B bans a map.
- Team A chooses the first map to play, Team B chooses side to start.
- Team B chooses the second map to play, Team A chooses side to start.

Game 3:

- Team A is the team with the highest total round wins after game 1 and 2. If equal, Team A is the team with the fastest game win out of the two games.
- Team A bans a map.
- Team B bans a map.
- Team A picks a map as map 3 AND the map cannot be a map that team A has previously won in the series.

Teams A and B will be displayed on the tournament schedule. Contact the opposing captain to perform the veto, either on discord or in game. If there are any issues, contact a staff member.

Reporting a Win

- Once a game is completed, please can the winning captain send a direct message to a tournament admin on discord, including a screenshot of the game leaderboard along with the team name of the winning team.
- This will allow us to create the next round of matches, but also keep track of the tournament MVP for the individual prize.

Prize List

- Prize list will vary per event, please see announcement page on discord closer to time of event for respective disclosed prize list.

Support

Many methods of contacting support.

- Join the support waiting room where you will be dragged into a voice channel with a tournament admin.
- @ an admin in the support text chat, support will be given as soon as possible.
- Direct message a tournament admin.

Application Process

- Please see the announcement page for the specific event for the required entry fee.
- Please send entry fee to the paypal.me link within the application form discord text channel. Preferably sending over as one payment for the whole team as easier to track, but can be sent separately.
- Finally submit the relevant event google form within the application form text channel (1 per team) and fill out relevant boxes. If more than one paypal payment is sent, please fill out all emails used.

By Applying to the Valorant Cash Cups tournaments, you are accepting to follow this given ruleset. No following the processes may result in disqualification or penalties to the team.

We hope you enjoy the tournament, and best of luck to everyone participating!
