How to become a social media superstar in one month—without paying for them.

I gained 52,000 followers using nothing but a keyword.

That's exactly how I did it.

I used a hashtag to gain 52,000 followers on Tiktok in just one month.

Subject line: Tiktok Does Not Appreciate Your Content.

This is how it will continue to be if you simply keep uploading.

If you're going to upload the same video the same way as the other 1.6 BILLION users,

Then you will remain with fewer than 100 followers before you get the urge to quit.

Subject line: Gaining 52,000 followers in 30 days.

I wanted to grow my new business,

I needed attention FAST.

I went through the depths of YouTubes, most recent and most oldest videos.

until I found my problem,

No one knew who I was, or what I did.

I decided to build my presence on one of the world's largest social media platforms,

Tiktok

A platform with over 1.1 Billion, active users each month.

The next problem I faced was,

I gained only 27 followers.

This was, until I cracked the code to become well-known.

Not from paying for followers

Not by paid advertising

How a word triggered 52,000 people across the world to actively indulge in my content.

I now have reached more than 59,000 followers consuming my content daily,

All while I continue to gain more, and more followers each day.
