Parents will be involved in the development, review, and improvement of the parent and family engagement plan and programs at Garfield Scholars' Academy. This will be accomplished through a series of scheduled meetings that take place throughout the year to accommodate schedules and communication preferences of all families and staff. Parents will also be encouraged to communicate questions and give suggestions or feedback through communication with the Director of

Schools. The following are intended as meeting times and places that meet the needs of a majority of our parents:

1. Twice-yearly meetings to view, revise, and update the Parent and Family Engagement plan in May of 2025, and in August of 2025 to present the plan to families.
2. Scheduled Parent/Teacher Conferences on September 16, and 17th 2024 and February 3rd and 4th, 2025. Each family will be provided with opportunities to meet with teachers to get updates on their students' progress as well as grade-level and schoolwide goals.
3. Monthly Parent Teacher Association meetings scheduled for the first Thursday of every month. This will be advertised on social media sites as well as weekly family newsletters in "Upcoming Dates".

Garfield Scholars' Academy will jointly develop a [School-Parent Compact](#) that will outline how we plan to share the responsibility as families, students, and the

entire school staff to improve academic achievement. We will encourage regular two-way, meaningful communication through:

- Parent/Teacher/Student Conferences- Scheduled on September 16, and 17th 2024 and February 3rd and 4th, 2025. Each family will be provided with opportunities to meet with teachers to get updates on their students' progress as well as grade-level and schoolwide progress and goals.
- Reasonable access to staff through published school phone numbers, email addresses and schoolwide communication through the School Status platform (app, social media)
- Opportunities to volunteer through PTA and discussions with the Director of Schools and direct communication with classroom teachers.
- Observation of classroom activities through volunteer efforts or scheduled visits with the Director of Schools and the classroom teacher.
- Weekly family newsletters sent out by the Director of Schools to inform of upcoming events as well as reminders about policies and procedures.
- Regular communication about state assessments through the parent and family portal on [ATLASportal.org](https://atlasportal.org). This platform allows parents to view data as well as Individual Progress Reports in Reading and Math on their own students in real time.
- Regular communication about standards being addressed during instruction and opportunities for parents to see how those standards can be applied to real-life situations using a “refrigerator curriculum”.
- The school will inform decisions about instruction through parent feedback during PTA meetings, surveys, and two-way communication with teachers and staff.

### **5: Reservation of Funds**

*(If the district receives more than \$500,000 in Title I allocation, then it must reserve 1 percent for parent and family engagement activities. A minimum of 90% of that 1% must go to the schools, with priority given to high-need schools. If the school is allocated a percentage of the 1 percent, describe/list how the school will share with parents the budget for parent and family engagement activities and programs and how parents will be involved in providing input into how the funds are used.)*

*(Describe/List activities, such as workshops, conferences, classes, online resources, Academic Parent-Teacher Team meetings, and any equipment or other materials that may be necessary to support parents in helping their student's academic success.)*

Garfield Scholars' Academy will rely on parents as partners in the development of students' academic, social/emotional, and behavioral success. This will be accomplished by:

- Regular reporting of curriculum and state academic accountability practices- Arkansas State Standards and the ATLAS (Arkansas Teaching Learning Assessment System) of which parents will have full access to their students' Individual Learning Plans.
- Use of Arkansas Department of Education resources such as "refrigerator curriculum" to provide parents with relevant activities they can participate in with students outside of school.
- Provide information on Title 1, Part A.
- Creation of an academic calendar that includes breaks, scheduled Parent/Teacher/Student Meetings (One in early fall and one in early spring) to report the academic achievement of students.
- Development of Family Night topics that are relevant to school and parenting in the current times: Internet Safety, etc.
- Promote and support responsible parenting by providing materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of internet use), as appropriate, to foster parent and family engagement.

## **8: Building Capacity of School Staff**

*(Describe/List activities such as workshops, conferences, trainings, webinars, online resources, and Academic Parent-Teacher Team meetings that will be used with school staff to build their capacity to work with parents as equal partners. - to recognize that a parent is a full partner by including in the school handbook the school's process for resolving parent concerns

## ***9: Building Capacity - Discretionary***

*The school parent and family engagement policy/plan may include additional sections describing other discretionary activities that the school, in meaningful consultation with its parents, chooses to undertake to build capacity.*

Garfield Scholars' Academy will work to ensure that discretionary activities are offered to parents in the form of:

- **Literacy Training:** Provide necessary literacy training from funds received under this part if the local educational agency has exhausted all other reasonably available sources of funding for such training.
- **Expenses to Enable Participation:** Pay reasonable and necessary expenses associated with local parental involvement activities, including transportation and child care costs, to enable parents to participate in school-related meetings and training sessions.
- **Flexible Options:** Arrange school meetings at a variety of times, or conduct in-home conferences between teachers or other educators who work directly with participating children, with parents unable to attend conferences at school to maximize parental involvement and participation in their children's education.
- **Model Approaches:** Adopt and implement model approaches to improving parent and family engagement.
- **Parent Advisory Council:** Establish a districtwide parent advisory council to provide advice on all matters related to parental involvement in Title I, Part A programs.
