

Payment Method Set-Up 🏠 🧱

[Click here for Google Doc \(Click File > Make a Copy\)](#)

4.1. Go to Settings → Billing & Payment → Choose the Ad Account → View Details

4.2. We want to tell Meta that we're a legitimate business and that we're running ads for our business purposes so you'll need to fill out your businesses information here:

Tax information

Business name

Enter your legal name if you don't have a business name. This will appear on your invoice from Meta and will not be visible to customers.

Add a name

Business address

The legal address registered with your government and tax agency. If you aren't a registered business, enter your postal address.

Street address 1

Street address 2 (optional)

Town or city

State, province, county or region

Postcode

EU VAT number

You can leave this blank if your business address isn't within the European Union (EU) or you don't have an EU VAT number. [Learn more](#)

Country/region

HR

VAT number (optional)

Advertising purpose

☒ Yes, I am buying ads for business purposes

☐ No, I am not buying ads for business purposes

Meta is required to share your business information with local tax authorities that request it.

By clicking "Save", you agree that your information will be shared with our service provider in accordance with our [Privacy Policy](#).

Skip

4.3. After this, go back, click “Add Payment Method” → Fill out card details → Click “Save”

Add a payment method to turn on automatic billing

To use automatic billing, you must add a payment method that supports recurring payments, such as a credit card. Automatic billing prevents ads from pausing even if your prepaid funds run out. [Learn about automatic billing](#)
