- **God's Bank**

There is an 8th dimension where all the abundance of the universe lies.

Being born again into a life full of prosperity and wealth.

The crazy part is the Bible tells us how to access this 8th dimension…

(New) Sept 24 Email Swipe #10 - Being Wealth isn't Bad

Subject:

- **Being Wealthy Is Bad: Here's Why**
- **Shocking truth: Wealth isn't Evil, it's Divine)**
- **The key to unlocking divine wealth**

You've probably heard it a million times…

"Being wealthy is BAD."

Society, religious leaders, and even certain Bible interpretations have long demonized wealth.

You've heard the warnings:

"It's easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of heaven."

But what if I told you they got it wrong?

Yes, **completely wrong.**

The truth is, just like the verse about the love of money being the root of all evil...

These passages have been misinterpreted for centuries.

Why?

Because there's a hidden code in the Bible...

A key that reveals wealth and abundance are actually part of God's blessings for you.

The prosperity that has been waiting for you isn't something to be feared or shunned.

It’s something to be embraced.

God didn’t design you to struggle or just get by.

Once you understand the true meaning behind these Bible passages...

You’ll realise that wealth is a sign of God’s favour—proof of your direct connection with Him.

But here’s the catch: most people have no idea how to unlock this hidden code.

They stay stuck in the cycle of scarcity, falsely believing that wealth is somehow immoral.

But that doesn’t have to be you.
