

Map of Africa - Physical Features and Countries - Quiz Study Guide

Directions: For this Quiz, you will be asked to identify the physical features and countries of Africa. The Quiz will be broken up into two parts. There will be a bonus question for this Quiz. Use the “Africa Geographic Investigation Activity” and the Map games on this handout to prepare for the Quiz.

Format of Quiz:

- This Quiz will be completed via Google Form and it will be Multiple Choice
- The Multiple Choice Questions will be broken up in two ways
 - *Physical Features Map* - A numbered Physical Feature Map will be attached to each multiple question. Each question will ask you to identify a number on that map with the correct multiple choice physical feature option associated with that number.
 - *Countries Map* - A numbered Countries Map will be attached to each multiple question. Each question will ask you to identify a number on that map with the correct multiple choice country option associated with that number.
