

Caitlin J.

Job Objective: Veterinarian

cjester@wostudent.net

G.P.A as of now = 3.8

EXPERIENCE

August 2016-Present

- Clean food and water buckets.
- Refill all water buckets for dogs.
- Feed the dogs every morning certain amount according to weight.
- Worm dogs giving them Ivomec and Pyrantel Pamoate Suspension.
- Give dogs the wormer at the beginning of every month and weigh them to give them the right amount of cc's of each wormer.
- Measuring out 1 part solution to 9 parts of another to create the Ivomec.

April 2016-Present

- I worked on my neighbor's farm and helped train cow dogs different things such as down, there/stay, stop as in placement, and obedience training.
- Also, cared for dogs that were injured spraying vetericyon on wounds.

November 12

- Helped on donkey's abscess on foot and cared for chickens with bumblefoot.
- Bumblefoot requires working on chicken's foot and getting pus from infection that had swelled the foot and relieving pressure.
