You will need to log to your account on Tornelo via this link to play the games -

<https://tornelo.com/chess/orgs/chess-england>

I will open the **lobby** on Tornelo at 7.00pm, and you will be able to enter the lobby, tick a checkbox to say that you are present.

10 minutes each - no increment. Don't forget this software is not compatible with Internet Explorer, and also that it is drag-and-drop to move pieces!

Cash prizes will be paid after 1 week, and only after all games have gone through the FIDE anti-cheating software.

YOU MUST BE ON CAMERA DURING YOUR GAMES. PLEASE CHECK.

IF YOU ARE NOT ON CAMERA, YOU CANNOT WIN A PRIZE AND MAY BE REMOVED FROM THE TOURNAMENT. Try to get your head and shoulders on the camera, BUT if you have an extra camera try to get the screen in the shot as well!

Then join the **Arbiter's Room on Zoom** - the link is on the Lobby page on the top right - you have to be available on camera with your real name throughout.

Yes, you can log into this on your phone / tablet and use the phone / tablet as your web camera! **You should always try to play the games (on Tornelo) using a mouse.**
