The Loveland High School Counselors present:

The 2022 Summer Enrichment Experiences!

Open to students enrolled at LHS in the 2022-2023 school year

The LHS School Counselors will be hosting three events this summer that are designed to help students with future planning. Courtesy of a grant, there are NO FEES to attend any (or all) of the following:

Road Trip! - Behind the Scenes in Sports

Starting at Loveland High School then traveling to Xavier University's Cintas Center and TQL Stadium (Home of FC Cincinnati) on Wednesday, June 15 from 9:00 am to 3:00pm; open to all interested students, but capped at 25 participants (first come, first served)

Interested in careers that are associated with athletics? This is the event for you! We will meet at LHS at 9:00am on June 15, board a school bus then depart for Xavier University. Assistant Athletic Director Mr. Brian Hicks has arranged for a tour of the Cintas Center and presentations about the business side of collegiate athletics.

After this, we will visit with Mr. Lukas Brant from FC Cincinnati at TQL Stadium. He will give us a tour of the stadium as well as insights into the world of professional sports marketing, organization and business development. We will return to LHS by 3:00pm.

Please fill out this form below if you are interested in attending. Due to limited space, we need to cap this experience at 25 students (first come, first served).

YouScience Career Exploration Program

at Loveland High School in room 219 on Tuesday, June 28 through Thursday, June 30 from 9:00am until noon each day; open to students from the classes of 2023, 2024 and 2025

How many times have you been asked what you want to be when you grow up? YouScience will help you answer confidently by identifying your natural strengths and matching you with careers that uniquely fit *you*.

Students will go through a series of "brain games" that will scientifically measure your natural talents. When you're finished, you'll gain powerful and actionable information that

can be applied in school, social, and work settings. YouScience also provides a personalized fit analysis for hundreds of careers, so you can see how your strengths and interests line up. Your potential is endless; we can't wait for you to see your results! Please fill out the form below if interested.

The 4th Annual LHS College Application Seminar

at Loveland High School in room 219 on Tuesday, July 19 through Thursday, July 21 from 9:00 am until noon each day; open to the class of 2022

Overwhelmed by the college application process? We want to help! The College Application Seminar is for **LHS students in the class of 2023** and will focus on completing the Common Application, developing effective essays, designing resumes, searching for scholarships and more! Seniors will leave the experience well ahead of the curve in the application process. Please fill out the form below if interested.

Please click on this link to register for these events - 2022 Summer Enrichment Experiences Sign Up Form

The deadline to register is one week before each event.
