[|Am G/B |C |F/D C |G]

V1

[C]Did I fall so you could [F]pick me [C]up
Did [Am]you let me walk a[C]way so I'd come [G]home
Did you [C]plant a thousand seeds to find a [F]faithful [G]few
Then am I [Am]cursed when I [C]don't see [G]fruit

CHORUS

But you are [Dm]gent[C]le and [G/B]]lowl[C]y
[F]Gracio[C]us and kind[G]
And you are [F]makin[C]g me p[G/B]art of [C]you
And what we [Dm]share is [C]something n[G]ew

V2

Are my [C]days a test to seal my [F]fate[C]
Or just your [Am]not so subtle way[C] to prove I'm [G]helpless without grace
And do you [F]spare me from [C]hell with words re[G]peated like a spell
It's trite and [|Am G/B |C]vain at best
Aren't you much [|F/D C |G]more than this

CHORUS X2

[F]I guess I've been aw[C]ay Gotten distance and a[Am]fraid
That redemption's just a [G]box I checked when I was [F]school-age
Tell me it's ok[C]ay that
I just need to [Am]know that this is [C]all part of a [G]plan
That you [Am]love us and it's [C]worth it in the [G]end[Gsus]

V3

[C]Did you fall so you could [F]pick me [C]up
Did you [Am]leave all you [C]had to bring me [G]home
Did you [C]know at the start this was the [F]only [G]way
To share [Am]glory [C]with the c[G]lay

[Bm7]And though I lie[Am7] to myself

At [G]Calvary, where I bec[D]ame
