

AGA Info:

- Address: 1340 Upper Hembree Rd, Roswell, GA 30076 (note: you will actually turn onto Bellsmith Drive to get to the parking lot)
- Enter through either door in Suite B (Northside GI lab)
- Center opens at 0700. Please arrive at 0700 for cases starting at 0730.
- Scrubs are provided, but sizes are often limited and there is no locker room. Wear scrubs from home if you prefer.
- Bring food as there is no food available at this facility.
- Refrigerator is located in the break room on the AGA side of the building.
- Anesthesia techs do not come to this facility. It is the anesthetist's responsibility to restock the anesthesia cart with supplies and drugs each day. Please restock your cart before leaving for the day.
- Airway bag is located in the bottom drawer of the anesthesia cart. Supplies are very limited, so please do not open any airway equipment unless you intend to use it.
- Supply closet code: 3257\*
- Anesthesia supplies are located in the supply closet. If you notice any supplies are running low (oxymasks, syringes, etc.), please notify Michelle Travoss (Roswell GI clinical coordinator) and/or Ron Abes ASAP.
- McGrath laryngoscope is located in the supply closet. This facility does not have a glidescope.
- All anesthesia-related drugs are available in the Pyxis. Please remove propofol and lidocaine for each patient. Other drugs and the emergency drug box may be removed from the Pyxis under the patient name "Anesthesia Cart."
- Check the expiration date of lesser-used drugs (ie: succinylcholine, atropine) in the anesthesia cart.
- Please restock drugs at the end of the day.
- If you use anything out of the emergency drug box, replace the entire box. Opened boxes may be returned to the Pyxis when a new box is removed.
