Tuesday, August 19, 2025

Dear Boise School District Friends,

Welcome back to a new school year! I am reaching out to share that I will be resigning at the September 8, 2025 Board meeting. My husband, Neil, has an opportunity to work in Singapore for a few years, and we are both very excited for this new adventure.

I feel such gratitude for the thirteen years that I have served as an advocate for public education as a Trustee for the Boise School District. It has been a privilege to collaborate and work alongside passionate trustees, administrators and educators who are deeply committed to fostering a nurturing, safe and inclusive learning environment, and who are dedicated to ensuring we do what is best for students.

So many of you have left an indelible mark on my family. A 7th grade teacher guided me in understanding that my child was finding his own path at that age, a high school teacher inspired my child's desire for a career in computer science, an elementary counselor reinforced the importance of leadership for my children, and an administrator created a safety net for my child dealing with health struggles. You all share lessons every day that reach the minds of students and touch their hearts. To our many staff members, teachers and administrators, thank you for your hard work and dedication and for ensuring that Everything's Possible for our students.

As I say farewell, I do so with the confidence that our Superintendancy and Board will continue to be strong and lead with resiliency and integrity as they navigate the many upcoming challenges. I am so grateful to have been of service to our Boise community that understands the value of public education.

With much gratitude,

Maria Greeley

Trustee Maria Greeley
