You're coming to visit us. That's awesome!

Here are some directions to help you, since the house is tucked up in the woods and cell reception is non-existent. (Don't worry, there's wifi and calls over wifi seem to work pretty well. It's just that your phone won't work for the last 5 miles or so of the drive)

These are directions from NY Route 17, exit 94, which drops you right in Roscoe:

<table>
<tr><th>Coming from the south/east
(I-87, Monticello, Liberty)</th><th>Coming from the north/west
(Binghamton, Hancock)</th></tr>
<tr><td>Take Exit 94. Turn left onto Old Route 17/County Road 179/Rockland Road, toward Sunoco, away from the Roscoe Diner
</td><td>Take Exit 94. Turn left at the bottom of the ramp
</td></tr>
<tr><td>At the stop light, continue straight
</td><td>At the stop light T-intersection, turn left onto Old Route 17/County Road 179/Rockland Road
</td></tr>
<tr><td colspan="2">At this point, no matter which way you came, you should pass Raimondo's on your left and the Roscoe Rockland Fire Department Community Center on your right
</td></tr>
<tr><td colspan="2">Keep going out of town for about 5 Miles</td></tr>
</table>

First, you'll cross the Beaver Kill (Welcome to the Town of Colchester! Look for people fishing in the river)

Then Spring Brook crosses the road 5 times

Once

Twice

Three Times

Four Times

Five Times

Spring Brook will be right by the road on your left side, and you'll see a house with a little bridge over the brook

Almost there!

You'll pass this house on the right, with two little carved bears at the end of the driveway. This is where Buddy the dog live.

GET READY TO TURN!

Turn right into our driveway, immediately before the picket fence, which Lauren has painted aubergine (purple) for improved recognizance

Bear left to go up the steep side of the driveway
