

Remote Learning Snow Days

We want to make sure students are getting instruction and practicing skills even during inclement weather. Therefore, we have developed a plan for reading, writing, and math.

There will be an assignment for your child to complete in Seesaw. Teachers will be available via email from 8:00–3:45 pm to answer questions and we will be accessing Seesaw to provide feedback on assignments.

If technology is available at home, students may download the SeeSaw app to upload their work. If not, no problem! We will also be sending a PDF of the assignments via email. Just bring the paper copy to your teacher the following day.

Reading: (40 minutes)

- ☐ Record yourself reading the UFLI Pet Cats passage aloud 3 times. Then illustrate the story in the box.
- ☐ Have a family member read you a story. Answer the following questions on Seesaw or on paper.
 - Who were the characters? What was the setting? What was the main idea of the story?

Writing: (30 minutes)

- ☐ Topic will be winter. Brainstorm what to do in the winter. Complete the 4-square organizer with an adjective and noun in boxes 1, 2, & 3. Then finish with writing a feeling sentence in the heart box.
