

Workshop Activities

Intro to Brandeis Library and Online Research | Fall 2023

Activity A: Find specific items from Brandeis Library

1. Find a copy of the book *Conflict, Security and Justice* by Eleanor Gordon.
 - a. Do we have this as an ebook or a physical book? How can you access it?

2. Do a journal search for *Peace and conflict: journal of peace psychology*.
 - a. Which years do we have access to?

3. Get the full text of a 2014 article titled “Critical Race Theory Meets Social Science” authored by Carbado and Roithmayr.
 - a. Look in the “Literature Cited” section and locate a reference to a 2008 publication by Zuberi and Bonilla-Silva. How might you get a copy of this source from Brandeis Library?

Activity B: Find items on a topic from Brandeis Library

- Search for works on the topic of how the COVID-19 pandemic affected schooling in developing countries.
- What did you find? How might you use your search results to get more specific about your topic?
