

At Stage Presence, we believe performing arts should be inclusive, accessible, and affordable — no matter the size of your school or your budget. We proudly partner with public, private, and Title 1 schools to make professional-quality theater experiences available to all students. Our programs are customizable so schools can meet budget needs without sacrificing quality or participation.

Stage Presence Musical Theater or Acting/Improv Class

Available as an elective or after-school program. Inclusive of all grade levels.

We're thrilled to continue expanding our Musical Theater Class, currently running at local public and private schools. Parents handle registration, minimal school involvement is needed, and we just need a space to rehearse and perform.

Musical Theater, Acting/Improv, Dance, or Singing Class:

TK–1 “Chicken Nugget Chorus”: 30–45 min/week -

1 class/week for each grade group (different times if more than one group)

- Learn up to 3 songs & perform as show openers or a stand alone performance.

2nd–8th Grades: Split into two groups (1x/week each) or one group (2x/week)

- 1 class/week for each grade group (different times if more than one group)
- Prepare 30–60 min of performance material depending on the age group
- Final performance optional. Usually performances take place at an assembly or evening showcase.

Stage Presence Musical Theater Production or Play

Available as an in-school or after-school production

High-quality fully licensed productions tailored to your school. We provide title selection support, program design, and audition workshops. We encourage schools to choose whichever package best supports their budget and students. We can make ANYTHING fabulous.
