HOW TO USE THIS TOOL KIT:

1. This internal toolkit is for all individuals & organizations when engaging with materials, the CRP media toolkit and support for new folks to comms work.
2. The TOC page is the first page and is labeled as [HOME] on each page to easily navigate the toolkit.
 - a. The outline to the left should always be open to easily navigate to through the toolkit.
 - b. Comments should be answered and adjusted but not to linger. This will help limit confusion.
3. Information added to this toolkit will need to be adjusted for printable view. We want to make this information accessible for every community member.
- 4.
