

LMC Zoom Authenticated User Sign-in

Your instructor may set up Zoom meetings so that only “authenticated users” may join. This means that to join the Zoom session, you will need to be logged in with your InSite username and password.

Note: if you have a personal Zoom account, you will need to log out of that account to sign in with your college account.

To sign into your college Zoom account

1. Visit 4cd.zoom.us
2. Click the “Sign in” button next to “Configure your account”

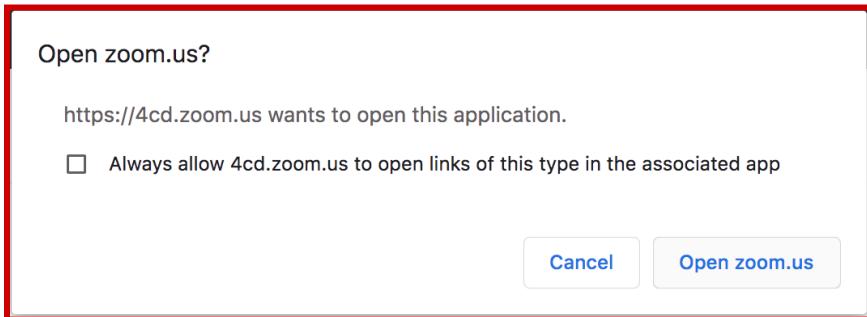

3. Enter your InSite username and password and click “Login.”

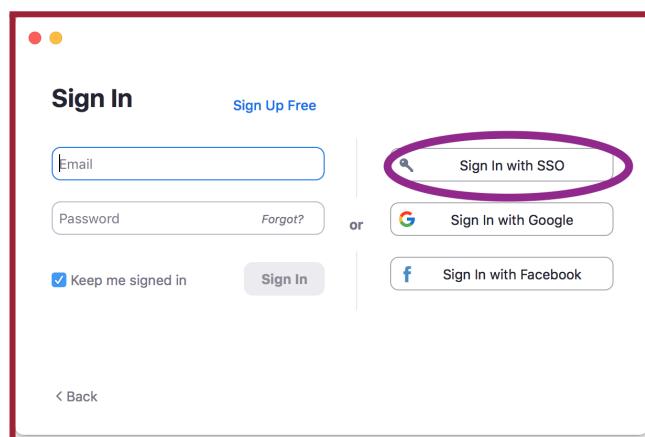

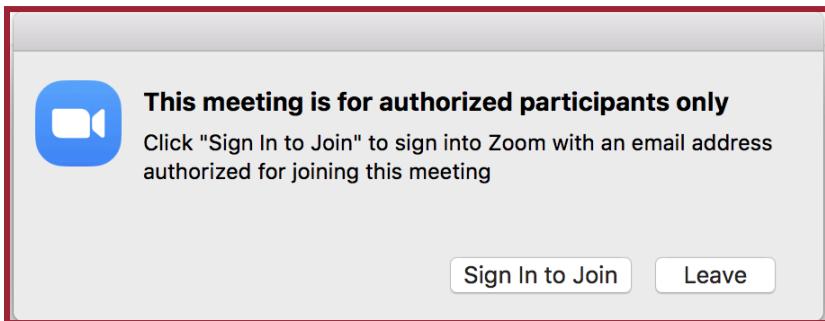

4. You are now logged into your college Zoom account.

Join an Authenticated Zoom Meeting from a Web Browser

1. Click the Zoom link.
2. Click "Open zoom.us"

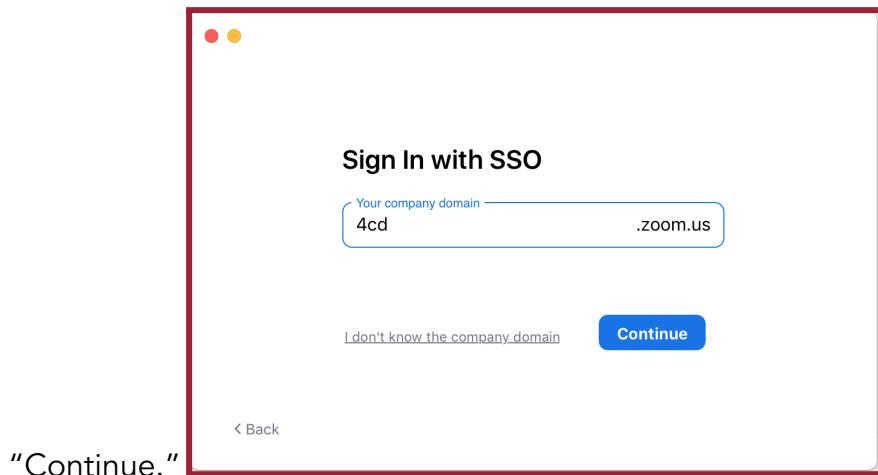

3. If the pop-up "This meeting is for authorized participants only" appears, click "Sign In to Join."

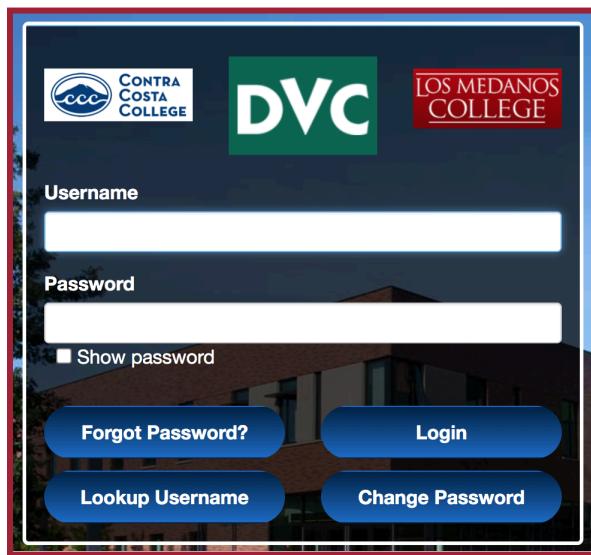

4. Click "Sign in with SSO."

5. In the textbox asking for "your company domain," type in "4cd" and click

6. Enter your InSite username and password and click "Login."

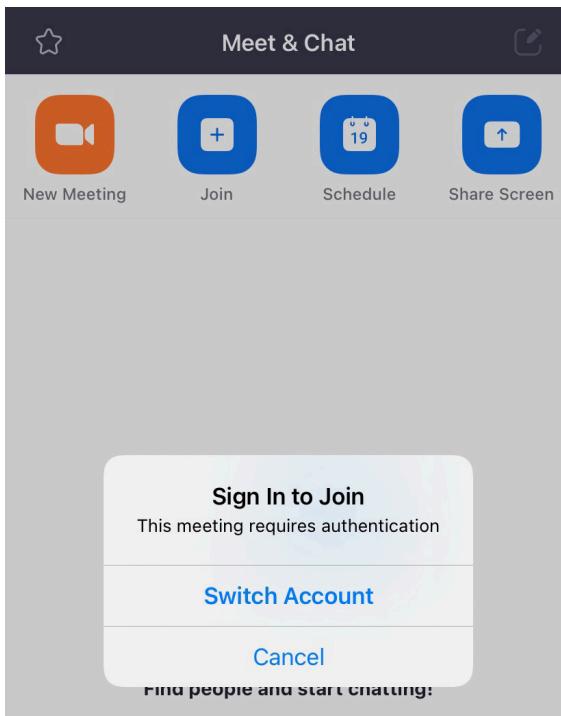

7. You will now be allowed to join the meeting!

Join an Authenticated Zoom Meeting from a Mobile Device

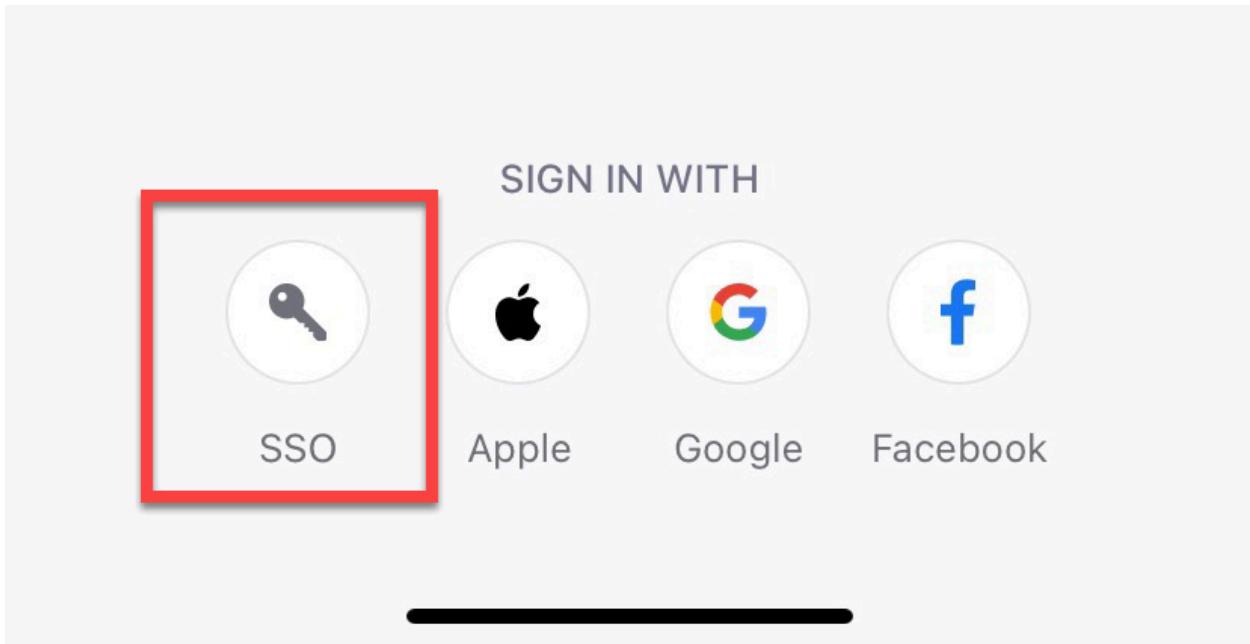

The following instructions will show you how to sign in and join a Zoom meeting from a phone or tablet.

1. Click the Zoom meeting invite link.
2. Download the Zoom app if you have not done so already.

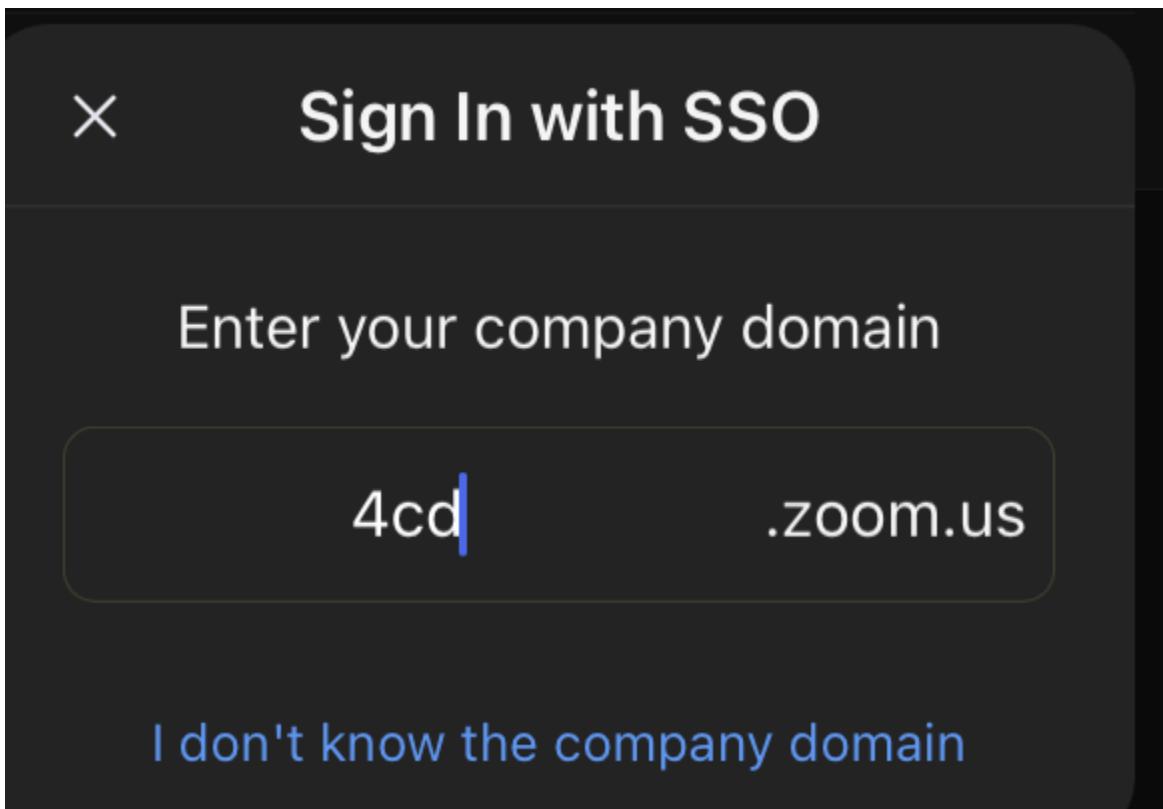

- iOS users, a message may be received indicating Safari cannot open the page because the link is invalid. You must install the Zoom app to join the meeting.
3. After installing the app, return to step 1 and attempt to join the meeting again.
 4. If prompted, select Open Zoom app. If you are signed in with another Zoom account, you will be asked to switch accounts.

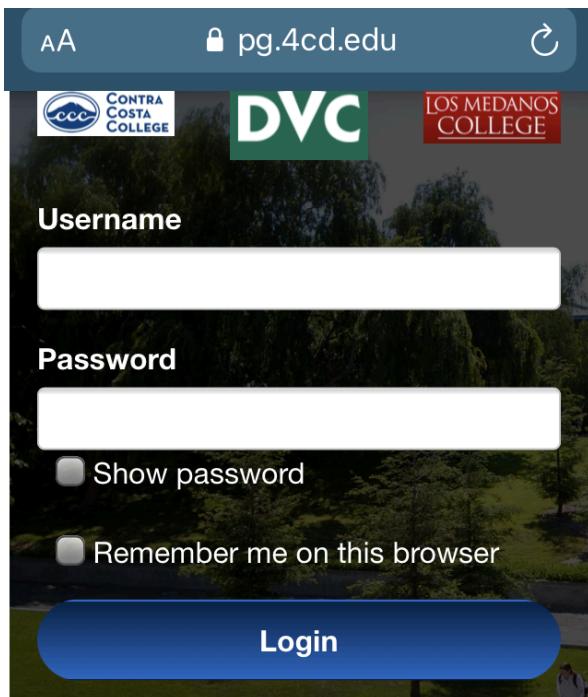

5. Click Sign in with SSO on the sign in screen.

6. Type 4cd in the text field and click Continue.

7. Once the InSite login page appears, enter your username (e.g. jdoe123) and password).

You have successfully joined your Zoom meeting.
