

Ikebukuro

People of different generations mingle, as amusement and cultures meet here.

The Toden Arakawa Line is the only streetcar remaining in Tokyo, as its route goes through streets with a distinctive atmosphere. In front of the West Exit of Ikebukuro Sta. is the Tokyo Metropolitan Art Space, the center of culture. On the East side, the outstanding 60-story building is part of Sunshine City, where you can find many must-see spots including "experience attractions," NAMCO NAMJA TOWN with its food theme park, the Sunshine International Aquarium, and the Ancient Orient Museum.
