✅ Swipe 3: {PLR} YouTube-Ready AI Videos—Now Even Easier to Sell

Subject: Your Buyers Want Video AI. Give It to Them.

Body:

{Firstname},

ChatGPT is great—but it doesn't create videos.

Google's new Gemini + Flow combo does, and this PLR course teaches it all.

Inside *G-Tools Playbook Volume Three*:

- Create short-form video content with a single prompt
- Animate stories with Flow's video styles
Use Gemini to brainstorm, draft, and summarize video content

The course includes:

- 20 quick, actionable videos
- Full resell rights and launch kit
- A powerful new angle in a crowded AI niche

Sell this while it's still fresh:

✓ Swipe 4: {PLR} This Time, Google Didn't Just Catch Up—They Took Over

Subject: First ChatGPT. Then Gemini. Now VEO.

Body:

{Firstname},

Google just made it easy for anyone to create pro-looking videos—and your audience is going to want in.

G-Tools Playbook Volume Three covers the newest tools in Gemini and Labs Flow, including:

- Prompt-based video creation
- Cinematic sequences from simple text
- Storyboard-style marketing clips

Best part?

You don't have to create anything yourself.
Just sell the included videos, graphics, and sales copy—as your own.

⚡ This is the launch Google creators have been waiting for:

✓ Swipe 5: {PLR} BONUS: Gemini + Flow = The Ultimate AI Video Duo

Subject: Combine Google's Smartest Tools for Powerful AI Video

Body:

{Firstname},

What's better than Gemini or Flow on their own?

Using them together to dominate short-form AI video creation.

G-Tools Playbook Volume Three shows your audience how to:

- Brainstorm video concepts with Gemini
- Bring them to life with Flow
- Export polished clips for YouTube, Shorts, Reels, and beyond
- And yes—you get full resell rights + all the marketing assets.

Your buyers get a content machine.

You get a sales machine.

 Ready to launch?
