The Savannah R3 School District prides itself on being a foundational piece of the Andrew County community, serving as a hub where many gather, celebrate, and build relationships around the success of local students and programs. Much of this would not be possible without the continued support of local businesses like yours through sponsorships, donations, and advertising opportunities.

A few years ago, the district began hosting an end-of-the-year celebration to honor the dedication of our staff members, recognize our retirees, and present awards of Excellence. As a fellow leader in this community, we invite you to participate in this fantastic event. This is an excellent opportunity for you to show your support directly to the front lines of our district - the staff.

The Savannah R3 School District is the largest employer in Andrew County, with over 300 staff members who eat, shop, and live right here in our community and understand the importance of shopping locally. Don't miss this opportunity to make a personal connection with each of them!
